Find a Provider. Easier.

Welcome to the new, improved *Find a Provider* tool from Home State Health, your MO HealthNet Managed Care Health Plan. You asked for a more simplified online way to find the right doctor, and we heard you—making it even easier than ever!

Find a Provider. Faster.

The updated *Find a Provider* tool is now simpler and quicker.

Now you can:

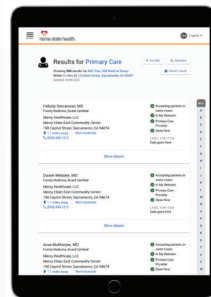

- Select a provider by location
- Quickly search if you already know a provider's name

The new Medical Professional screen simplifies your choices, shortening the list to specific providers in your network.

Find a Provider. Anywhere.

In addition to your search results, a map function has been added to help you find in-network doctors and hospitals conveniently located near you.

New features include:

- Contact information
- Location
- Public transit routes
- Driving directions
- An additional field to filter even further by location

And more improvements are coming your way from Home State Health!

- Popular Searches feature
- Member login with a link to My Doctor
- Phrase search capability

With these improvements, your member account is simpler to use—and it's a great way to manage your coverage!

Log in today to see how we've made finding a provider easier for you.
