

New Provider Roster Template Effective May 1, 2019

Home State Health is launching a revised provider roster template to process provider data. The intent of this new template is to improve the quality of provider data as well as the efficiency of the process. **Beginning May 1, 2019**, this template will be required for submitting provider data.

This new template can be accessed on the Home State Health website, at <https://www.homestatehealth.com/providers/tools-resources.html> under “Provider Data Management Roster”. Please refer to the “Instructions” tab for all requirements.

Rosters should be submitted to CHHS_PROVIDER_ROSTER@CENTENE.COM

Please note the following:

- a. CAQH must be authorized for Home State Health.
- b. CAQH attestation must not be expired.
- c. The specialty submitted in the roster must match CAQH.
- d. Information must be completed for each practitioner. If a practitioner serves more than one location, complete a row for each.

We appreciate your support in our efforts to improve the quality of our provider data.
