

February 2024

Dear Provider,

Thank you for your continued partnership with Home State Health.

As you know, we continually review and update our payment and clinical policies to ensure that they are designed to comply with industry standards while delivering the best patient experience to our members.

We write to inform you of updates to Home State Health’s **Testing for Select Genitourinary Conditions** clinical policy. These updates will be effective for Medicaid, Marketplace and Medicare plans effective May 15, 2024.

Policy Number	Policy Name	Policy Description
CP.MP.97	Testing for Select Genitourinary Conditions	Revisions include: <ul style="list-style-type: none"> • Added 0330U and 0352U as not medically necessary for members 13 years and older. • Updated requirements for ICD-10 B37.3 to apply to B37.31 and B37.32 which together now replace B37.3. • Changed CPT 87481 from not medically necessary in any circumstance to not medically necessary when paired with certain diagnosis for members 13 years and older:

For detailed information about these policies, please refer to our website at www.homestatehealth.com. And for questions about this or any of our payment policies, please don’t hesitate to reach out to our line of business-specific Provider Services team at the phone numbers listed below.
