WELCOME SHOW ME HEALTHY KIDS MEMBERS

Show Me Healthy Kids will help coordinate your unique health care needs. We have a network of doctors, hospitals, and other providers across Missouri that you, your child, or the child in your care may see. By doing this, our goal is to improve health outcomes for every Missourian we have the privilege to serve.

You, your child, or the child in your care will continue to get health care coverage through Show Me Healthy Kids as long as you/they are eligible. Eligibility groups for Show Me Healthy Kids include:

- Children in the care and custody of the Missouri Department of Social Services
- Children or youth in alternative care
- Children receiving adoption or legal guardianship subsidy
- Former foster care youth under the age of 26, who were in foster care on their 18th birthday and covered by MO HealthNet (Missouri Medicaid), and who meet other eligibility criteria
- Former foster care youth under the age of 26, who were in foster care on their 18th birthday and covered by Medicaid from another state, and who are not currently eligible for Medicaid coverage under another program

If you, your child, or the child in your care is not in one of these groups or has Medicare, you/they cannot be in Show Me Healthy Kids. You, your child, or the child in your care will be covered by a general MO HealthNet Managed Care health plan or the MO HealthNet Fee-For-Service program.

Interpreter Services

If you do not speak or understand English, call **1-877-236-1020** to ask for help. We can help if you do not speak or understand English.

HOW YOUR HEALTH PLAN WORKS

Member ID Card

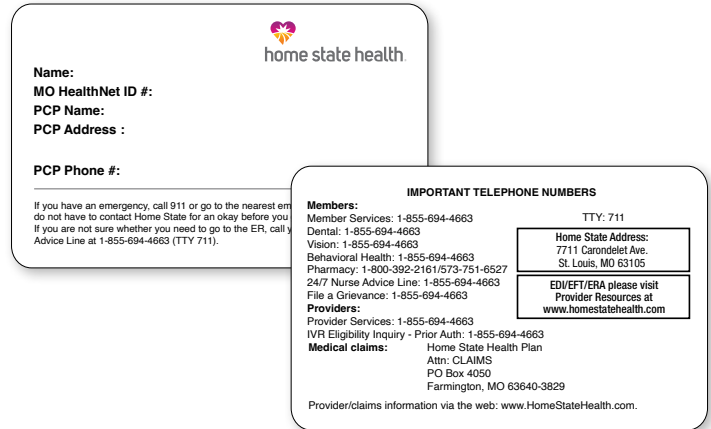

You should receive your Show Me Healthy Kids managed by Home State Health Member ID card in the mail as soon as you are enrolled with Show Me Healthy Kids. Here is what the front and back of the Show Me Healthy Kids Member ID Card looks like. If you did not get this card, please call Show Me Healthy Kids at 1-877-236-1020.

Front

- Name;
- Show Me Healthy Kids / Member ID#; and
- PCP Name/Address/Phone #.

Back

- Important Member & Provider Phone #'s;
- Medical Claims Address; and

Always carry your member ID card with you and show it to the doctor, clinic, or hospital to get the care you need. They will need the facts on the card to know that you are a Show Me Healthy Kids member. Do not let anyone else use your member ID card. If you lose your member ID card, change your name, or need to pick a new PCP, call Show Me Healthy Kids at 1-877-236-1020 for a new card to be issued.

Nurse Advice Line

Everyone has questions about their health. If you have a question, call the Show Me Healthy Kids managed by Home State Health nurse advice line at 1-877-236-1020. The nurse advice line is a medical advice phone line staffed by English and Spanish speaking nurses. If you speak a different language, you can ask for a translator. The nurse advice line is open twenty-four (24) hours a day, every day of the year.

What can we help you with?

- Questions about your health;
- Where you can get care;
- Understanding how to take your medicine;
- Information about your pregnancy; or
- Information about health conditions.

Do you have a medical emergency?

If you are not sure if you should go to the emergency room, you can call us. Our nurses will help you determine if you need emergency care, urgent care or if you should see a doctor.

YOUR COVERED BENEFITS

Care You Get Using the Show Me Healthy Kids / MO HealthNet ID Card

You can get some health care that is not covered by Show Me Healthy Kids managed by Home State Health through the Fee-For-Service Program. Show Me Healthy Kids can help you find a MO HealthNet approved provider for that care. Please let your Primary Care Provider (PCP) know about the care you get. This helps your PCP take care of you. This care may include the following:

- Services provided by a Psychiatric Rehabilitation provider;
- Abortion (termination of a pregnancy resulting from rape, incest, or when needed to save the mother's life);
- Adult Day Care Waiver Services;
- Applied Behavior Analysis (ABA) services for children with Autism Spectrum Disorder;
- Bone marrow/stem cell and organ transplants;
- Developmental Disabilities Waiver Services;
- Drug and alcohol treatment from a Comprehensive Substance Treatment and Rehabilitation (CSTAR) provider. Call Show Me Healthy Kids Member Services at 1-877-236-1020 for a list of CSTAR providers;
- DYS Rehabilitative Behavioral Health Treatment Services for Institutionalized Youth;
- Home Birth Services;
- Pharmacy;
- State public health program services including environmental lead assessments (visits by a health worker to see if lead is in your home), state public health lab services, newborn screening collection kits, and special supplemental nutrition for Women, Infants and Children (WIC) program services;
- SAFE – CARE exams for abused children;
- Services in an Educational Setting (school-based services including physical therapy (PT), occupational therapy (OT), speech therapy (ST), hearing aids, personal care, private duty nursing, or behavioral health services included in an Individualized Educational Program (IEP); early intervention services included in an Individualized Family Service Plan (IFSP) developed under the First Steps Program; and services provided by the Parents as Teachers (PAT) program); and
- Targeted care management for adult behavioral health services;

EPSTD/HCY

Show Me Healthy Kids has a special program to provide medically necessary services to children. The program is called Early Periodic Screening, Diagnosis and Treatment (EPSTD) or Healthy Children and Youth (HCY). Your Primary Care Provider (PCP) can give your child these EPSTD/HCY services. Some examples of EPSTD/HCY services include:

- Child's medical history;
- An unclothed physical exam;
- Blood and/or urine tests;
- Immunizations (shots);
- Screening and testing lead levels in blood;
- Checking the growth and progress of the child;
- Vision, hearing and dental screens;
- Dental care and braces for teeth when needed for health reasons;
- Private duty nurses in the home;
- Special therapies such as physical, occupational and speech;
- Aids to help disabled children talk;
- Personal care to help take care of a sick or disabled child;
- Health care management;
- Psychology/counseling; and
- Health education.

An EPSDT/HCY Health Screen helps children stay healthy or find problems that may need medical treatment. Your child needs to get regular checkups. Children between six (6) months and six (6) years old need to get checked for lead poisoning. You may use the chart below to record when your child gets a health screen or lead poison screen.

In Lieu of Service

You may be eligible to receive "in lieu of services." An in lieu of service is one not covered by Medicaid but Show Me Healthy Kids allows as an alternative to a covered service.

Deciding if an in lieu of service is right for you is a team effort. Your Show Me Healthy Kids Care Manager will work with you and your provider to help you make the best choice. This includes the right to get information on care options and participate in decisions about your healthcare. You are not required to use in lieu of service instead of covered benefits.

Members who are eligible for in lieu of services retain all member rights and responsibilities.

You may file complaints about in lieu of services. See the "Member Satisfaction" section of this Member Handbook to learn how to file a grievance or appeal.

SPECIALTY SERVICES

Behavioral Health Care

Show Me Healthy Kids managed by Home State Health will cover your behavioral health needs. A PCP referral is not needed for behavioral health care. You may go to any behavioral health provider on Show Me Healthy Kids list of providers. Be sure to go to a behavioral health provider in our network. Behavioral health care includes care for people who abuse drugs or alcohol or need other behavioral health services. Call 1-877-236-1020 to get behavioral health services and for help finding a provider within our network. Show Me Healthy Kids can help you in many ways. We can help get you treatment. This is how we can help:

- We will refer you to a PCP or therapist. You can also attend a community support group;
- We can help you find community resources;
- There are special groups for pregnant women and parents;
- You will have a care manager to help with your care. They will help you find the right services for your treatment; and
- After hours, you can call the nurse advice line at 1-877-236-1020. The nurse advice line is a 24/7 bilingual help line available to you at no cost.
- You can also dial 988, which is the three-digit dialing code that will route callers to the National Suicide Prevention Lifeline.

Call 1-877-236-1020. You can also visit [HomeStateHealth.com](https://www.HomeStateHealth.com).

How can you get help if you or your child has behavioral health, alcohol, or drug problems?

Do you need a referral for this?

Behavioral Health refers to behavioral health and substance use (alcohol and drug) treatment. Sometimes talking to friends or family members can help you work out a problem. When that is not enough, you should call your PCP or Show Me Healthy Kids has a group of behavioral health and substance abuse specialists to help you and your child. Call 1-877-236-1020 to get the help right away. You can call twenty-four (24) hours a day, seven (7) days a week.

How to know if you or your child need help?

Help might be needed if you or your child:

- Can't cope with daily life;
- Feels very sad, stressed, or worried;
- Are not sleeping or eating well;
- Wants to hurt themselves or others or have thoughts about hurting yourself;
- Are troubled by strange thoughts (such as hearing voices);

- Are drinking or using other substances more;
- Are having problems at work or home; or
- Seem to be having problems at school.

When you or your child have a behavioral health or substance use problem, it is important for you to work with someone who knows them. We can help you find a provider who will be a good match. The most important thing is for you or your child to have someone they can talk to so they can work on solving their problems.

What to do in a behavioral health emergency?

You should call 911 or go to your nearest emergency room, even if it is not in the Show Me Healthy Kids network if you or your child are having a life-threatening behavioral health emergency. You can also go to a crisis center or the nearest emergency room. You do not have to wait for an emergency to get help. Call 1-877-236-1020 for someone to help you or your child with depression, behavioral illness, substance use or emotional questions.

What to do if you or your child are already in treatment?

If you or your child are already getting care, ask your provider if they are in the Show Me Healthy Kids network.

If the answer is yes, you do not need to do anything. If the answer is no, call 1-877-236-1020. We will ask you/your child's provider to join our network. We want you or your child to keep getting the care they need.

If the provider does not want to join the Show Me Healthy Kids network, we will work with the provider to keep caring for you or your child until medical records can be transferred to a new health care provider.

Disease Management

Show Me Healthy Kids provides disease management health coaches to help members with conditions like:

- | | |
|---|-------------------------|
| ■ Asthma; | ■ Heart problems; |
| ■ Attention Deficit Hyperactivity Disorder (ADHD) | ■ High blood pressure; |
| ■ Chronic Obstructive Pulmonary Disease (COPD); | ■ Major depression; and |
| ■ Diabetes; | ■ Obesity. |

Health coaches will talk to members about:

- | | | |
|----------------------------|------------------------------------|---------------------------|
| ■ How to take medications; | ■ What screening tests to get; and | ■ When to call their PCP. |
|----------------------------|------------------------------------|---------------------------|

Health coaches will listen to your concerns and help you get the things you need. The goal of disease management is to help you understand and take control of your condition. Better control means better health.

Family Planning

Show Me Healthy Kids members can get family planning services no matter what age. These services will be kept private. You may go to a Show Me Healthy Kids provider to get family planning services. You do not need to ask Show Me Healthy Kids, they will pay for your family planning services.

Show Me Healthy Kids cannot require an enrollee to obtain a referral before choosing a family planning provider. Family planning services are provided in a manner that protects and enables the enrollee's freedom to choose the method of family planning to be used.

First Steps

Show Me Healthy Kids can help your family get services from the First Steps Program. First Steps is Missouri's early intervention system for infants and toddlers, birth to age three (3), who have delayed development or diagnosed conditions that are associated with developmental disabilities.

Children are eligible for First Steps if they have a significant delay (50% or greater delay in development) in one or more of the following areas:

- Cognition (learning);
- Communication (speech);
- Adaptive (self-help);
- Physical (walking); or
- Social-emotional (behaviors).

Children are referred to First Steps through:

- Physicians;
- Hospitals, including prenatal and postnatal care facilities;
- Parents;
- Child-care programs;
- Local educational agencies, including school districts and Parents as Teachers;
- Public health facilities;
- Other social service agencies;
- Other health care providers;
- Public agencies and staff in the child welfare system, including foster care;
- Homeless family shelters; or
- Domestic violence shelters.

An assessment is done to establish eligibility and determine the needs of the child. The assessment is provided at no charge to the family and is arranged by the regional System Point of Entry (SPOE) office in which the child and family lives.

Once a child is determined eligible, the services are determined by an Individualized Family Service Plan (IFSP) team Show Me Healthy Kids can refer you to First Steps or you may call First Steps at 1-866-583-2392 if you have any questions.

Lead Screening for Children and Pregnant Women

There are many ways your child can be lead poisoned. Call 1-877-236-1020 if you have questions about lead poisoning. Some of the ways your child may be at risk for lead poisoning include:

- You live in or visit a house built before 1978; or
- Someone in your house works as a:
 - plumber,
 - auto mechanic,
 - printer,
 - steel worker,
 - battery manufacturer,
 - gas station attendant, or
 - other jobs that contain lead.

High levels of lead can cause brain damage and even death. Lead in children is a common health concern that can impact their ability to learn, behavior and health through their adult life.

- All children through six (6) years of age must be tested annually if they live in or visit a **high-risk area** (Missouri state law requirement).
- Children not living in or visiting a known high risk area may still need lead testing if questions the Primary Care Provider (PCP) ask parents about lead show there is a possible lead source the child is in contact with.
- All children must be tested at one (1) year and two (2) years of age even if the child lives in a **non-high risk area**.
- All children between one (1) and six (6) years of age must be tested if they have never been previously tested.

A lead screen has two (2) parts. First, the Primary Care Provider (PCP) will ask questions to see if your child may have been exposed to lead. Then the PCP may take some blood from your child to check for lead. This is called a blood lead level test. All children at one (1) year old and again at two (2) years old must have a blood lead level test. Children with high lead levels in their blood must have follow up services for lead poisoning.

High lead levels in a pregnant woman can harm her unborn child. If you are pregnant or thinking about becoming pregnant, talk with your PCP or obstetrician to see if you may have been exposed to lead and need to have a blood lead test. Lead can be passed to the baby during pregnancy and breast feeding.

Nurse Visits for You and Your Baby

You and your Primary Care Provider (PCP) may agree for you to go home early after having a baby. If you do, you may get two (2) nurse visits in your home. You may get the home health nurse visits if you leave the hospital less than forty-eight (48) hours after having your baby or less than ninety-six (96) hours after a C-section. The first nurse visit will be within two (2) days of leaving the hospital. The second nurse visit is within two (2) weeks of leaving the hospital. You may be able to get more nurse visits if you need them.

At a home visit, the nurse will:

- Check your health and your baby;
- Talk to you about how things are going;
- Answer your questions;
- Teach you how to do things such as breastfeeding; and
- Do lab tests if your PCP orders them.

Post-Stabilization Care

Post-stabilization care services means covered services related to an emergency medical condition that are provided after a member is stabilized in order to maintain the stabilized conditions or to improve or resolve the member's condition.

Post-Stabilization Care Services

Show Me Healthy Kids managed by Home State Health will pay for post-stabilization care that is:

- Received within or outside of our network that was pre-approved by a Show Me Healthy Kids provider or representative;
- Received within or outside of our network that was not pre-approved by Show Me Healthy Kids , but provided to maintain a member's condition within thirty (30) minutes of a request to Show Me Healthy Kids for pre-approval of further post-stabilization care services;
- Received within or outside of our network that was not pre-approved by a Show Me Healthy Kids provider or representative but provided to maintain, improve, or resolve the member's condition if:
 - Show Me Healthy Kids does not respond to a request for pre-approval within thirty (30) minutes;
 - Show Me Healthy Kids cannot be reached; or
 - The Show Me Healthy Kids representative and the treating provider cannot reach an agreement about the member's care and a Show Me Healthy Kids provider is not available to discuss the member's care. If this happens, Show Me Healthy Kids will give the treating provider the chance to discuss the care with a Show Me Healthy Kids provider. The treating provider may continue with care until a Show Me Healthy Kids provider is reached. If a Show Me Healthy Kids provider can treat the member at the hospital, he/she will take over the member's care.

Show Me Healthy Kids must not charge the member more for this care than it would charge if the member received services by a Show Me Healthy Kids provider. Show Me Healthy Kids will reach an agreement with the out-of-network providers for payment and time frames for the post-stabilization care.

Show Me Healthy Kids no longer pays for post-stabilization that was not pre-approved when:

- A Show Me Healthy Kids provider can treat the member at the hospital and takes over the member's care;
- A Show Me Healthy Kids provider takes over the member's care through transfer;

- A Show Me Healthy Kids representative and the treating provider reach an agreement concerning the member's care; or
- The member is transferred.

Start Smart For Your Baby®

Start Smart for Your Baby (Start Smart) is our special program for women who are pregnant. Show Me Healthy Kids managed by Home State Health wants to help you take care of yourself through your whole pregnancy. Information can be provided to you by mail, telephone and through the Home State Health Start Smart for your Baby section of the website, Start Smart For Your Baby. Our Start Smart staff can answer questions and give you support if you are having a problem. We can even arrange for a home visit if needed.

If you are pregnant and use tobacco in any form, Show Me Healthy Kids can help you stop smoking. We have a special tobacco cessation program for pregnant women that is available at no cost to you. The program has trained healthcare providers who are ready to build one-to-one contact with you. They will provide education, counseling, and the support you need to help you quit. Working as a team over the telephone, you and your health coach can develop a plan to make changes in your behavior and lifestyle. These coaches will encourage and motivate you to quit.

We have many ways to help you have a healthy pregnancy. Before we can help, we need to know if you are pregnant. Please call Member Services toll-free at 1-877-236-1020 as soon as you learn you are pregnant. We will help you set up the special care that you and your baby need.

New Services & Technology

New medicines, tests and procedures come out every year. A team of doctors and other experts decide if new medical care will be covered by Show Me Healthy Kids managed by Home State Health. They review new technologies for medical treatments, behavioral health treatments, medicines, and special medical devices to make sure members receive safe and effective care. Show Me Healthy Kids shares the new treatments with the doctors in our network. Your doctor will work with you to decide if new treatments would be best for you. Your plan covers care that is medically necessary. Not every new medical service is covered for all members.

Value-Add and Additional Benefits

The following is a list of value-add and additional benefits that are available at no additional cost to Show Me Healthy Kids managed by Home State Health members:

All pharmacy benefits are covered by MO HealthNet Fee-for-Service. For more information, please contact 1-800-392-2161 or 1-573-751-6527 or visit the MO HealthNet website at www.dss.mo.gov/.

GETTING CARE

Getting Medical Care

Call your Primary Care Provider (PCP) when you need health care. Your PCP's phone number is on your Show Me Healthy Kids managed by Home State Health member ID card. Your PCP will help you get the care you need or refer you to a specialist.

These services do not need a PCP referral:

- You may go to any of our behavioral health providers. Just call this toll-free number 1-877-236-1020.
- Birth control or family planning: You may go to a Show Me Healthy Kids approved provider. We will pay for this care, even if the provider is not in Show Me Healthy Kids' network;
- Local public health agencies (LPHA): Children may go to local public health agencies for shots. Members may go to LPHAs for tests and treatment of sexually transmitted diseases and tuberculosis, HIV/AIDS tests or for lead poisoning screening, testing and treatment;
- Women's health services: You may go to any of our OB/GYN providers;
- Vision services: You may go to any of our vision providers. Just call this toll-free number 1-877-236-1020; and
- Dental services: You may go to any of our dental providers. Just call this toll-free number 1-877-236-1020.

You may have to pay for services you get if:

- You choose to get medical services that are not covered by Show Me Healthy Kids;
- You go to a provider that is not a Show Me Healthy Kids provider without prior approval; or
- You do not have prior approval for services that need it.

Service Areas Covered

Show Me Healthy Kids managed by Home State Health benefits are covered as long as:

- You live in Missouri;
- You have MO HealthNet;
- You use the Show Me Healthy Kids' provider network.

Show Me Healthy Kids' service area includes members in all regions of the state.

Medically Necessary Services

Covered services that you get must be medically necessary. This means getting the right care, at the right place and at the right time. Show Me Healthy Kids managed by Home State Health uses standard guidelines to check medical necessity. Show Me Healthy Kids does not reward its staff or its network providers to deny care.

A service is medically necessary if it:

- Prevents, diagnoses, or treats a physical or behavioral health condition or injury;
- Is necessary for the member to achieve age appropriate growth and development;
- Minimizes the progression of disability; or
- Is necessary for the member to attain, maintain, or regain functional capacity.

A service is not medically necessary if the nonperformance of the service would not adversely affect the member's condition or the quality of medical care rendered.

Behavioral health services shall be provided in accordance with a process of behavioral health assessments that accurately determines the clinical condition of the member and the acceptable standards of practice for such clinical conditions. The process of behavioral health assessment shall include distinct criteria for children and adolescents.

Show Me Healthy Kids shall provide medically necessary services to children from birth through age twenty (20), which are necessary to treat ameliorate defects, physical or behavioral health or conditions identified by an HCY/ EPSDT screen. Services must be sufficient in amount, duration, and scope to reasonably achieve their purpose and may only be limited by medical necessity.

Provider Directory

Show Me Healthy Kid's local provider network is the group of doctors, hospitals, and other healthcare providers who have agreed to provide you with your healthcare services. To find a provider, visit [HomeStateHealth.com](https://www.HomeStateHealth.com) and use the Find a Provider tool. This tool will have the most up to date information about the provider network, including information such as name, address, telephone numbers, whether they are accepting new patients, languages spoken, gender, and specialty. For more information about a provider's professional qualifications, board certifications, medical school, and residency, call Member Services.

At any time, you can also request a printed copy of the directory. You will receive the copy within forty-eight (48) hours after the request. Both the online and printed version gives you providers to choose from, including health care providers and hospitals.

Show Me Healthy Kid's can also help you pick a PCP. Call your PCP's office to make an appointment within ninety (90) days of enrollment. If you need help, call Member Services toll-free at 1-877-236-1020 . We will help you make the appointment.

Urgent Care

Sometimes you need medical care soon, but it is not an emergency. Call Show Me Healthy Kids managed by Home State Health at 1-877-236-1020 for information about urgent care centers. It's best to call or go to your PCP's office for things that are not emergencies, like:

- High temperature;
- Persistent vomiting or diarrhea; or
- Symptoms which are of sudden or severe onset, but which do not require emergency room services.

You should call your PCP to be treated for these things. If you go to the emergency room and it is not an emergency, you may have to pay for the care you get.

Please see the Urgent Care insert with locations shown by region. This insert will make it easy to access the information.

Emergency Transportation

Call 911 or the closest ambulance.

Emergency Ambulance Transportation

Show Me Healthy Kids managed by Home State Health covers emergency ambulance transportation to the nearest hospital for emergency care. Ambulance transportation to the hospital emergency room in non-emergency situations is not a covered service under Show Me Healthy Kids and you may have to pay for it.

Ambulance transportation from a health care facility to another health care facility is covered only when it is medically necessary, and it has been arranged and approved by a Show Me Healthy Kids network provider.

Emergency Medical Services

In an emergency, go to the nearest emergency room even if it is not in the Show Me Healthy Kids network or call 911. When you go to the emergency room, a health care provider will check to see if you need emergency care. You can call 1-877-236-1020 anytime day or night if you have questions about going to the emergency room. Call your PCP after an emergency room visit.

An emergency is when you call 911 or go to the nearest emergency room for things like:

- Chest pain;
- Bad burns;
- Difficulty breathing;
- Stroke;
- Deep cuts/heavy bleeding; or
- Gunshot wound(s).

If you aren't sure about the medical condition, get help right away or call your PCP's office for advice. Ask for a number you can call when the office is closed. You can also call Show Me Healthy Kids nurse advice helpline at 1-877-236-1020.

Emergency medical or behavioral health services are those health care items and services, furnished by a qualified provider, that are required to evaluate or stabilize an emergency medical condition. An emergency medical condition is a medical or behavioral health condition manifesting itself by acute symptoms of sufficient severity (including severe pain) that, according to the reasonable expectation of a prudent layperson who possesses an average knowledge of health and medicine, could result in the following if there is a failure to provide immediate medical attention:

- Placing the patient's physical or behavioral health (or with respect to a pregnant woman, the health of the woman or her unborn child) in serious jeopardy;
- Serious impairment of bodily functions;
- Serious dysfunction of any bodily organ or part;
- Serious harm to self or others due to an alcohol or drug use emergency;
- Injury to self or bodily harm to others; or
- With respect to a pregnant woman who is having contractions:
 - There is inadequate time to affect a safe transfer to another hospital before delivery; or
 - Transfer may pose a threat to the health or safety of the woman or the unborn.

Emergency Medical Locations

You can utilize the Find A Provider tool on your member portal and/or the HSH website 24/7 to search for a current list of in-network Urgent Care facilities, ERs, and hospitals in your area. If you have additional questions, need assistance accessing this information, or would like a hard copy of the ER locations in

your area, you can call a Show Me Healthy Kids member service representative at 1-877-236-1020 anytime M-F from 9am-5pm CST.

Non-Emergency Medical Transportation (NEMT)

NEMT stands for Non-Emergency Medical Transportation. NEMT can be used when you do not have a way to get to your health care appointment without charge. We may use public transportation or bus tokens, vans, taxis or even an ambulance, if necessary, to get you to your health care appointment. Show Me Healthy Kids will give you a ride that meets your needs. You do not get to choose what kind of car or van or the company that will give you the ride. You may be able to get help with gas costs if you have a friend or a neighbor who can take you. This must be approved before your appointment.

Who can get NEMT services?

- You must be enrolled in Show Me Healthy Kids managed by Home State Health on the day of your appointment.
- Show Me Healthy Kids provides NEMT services to members except for children in a state only funded category: Child Welfare System (CWS) Foster Care (FC), Division of Youth Services (DYS) General Revenue, or CWS-FC Adoption Subsidy. To check whether you get NEMT as part of your benefits, call member services at 1-877-236-1020.
- Children who are under the age of seventeen (17) must have an adult ride with them.
- We will only pay for one (1) child and one (1) parent/guardian and/or an attendant if your child is under the age of twenty-one (21) and needs to be away from home overnight or needs someone to be with him/her. We will not pay for other children or adults.
- You can get NEMT services if your medical appointment requires an overnight stay.
- Volunteer, community, or other ancillary services are available at no cost to you.

What health care services can I get NEMT to take me to?

- The appointment is to a health care provider that is in the Show Me Healthy Kids managed by Home State Health network.
- The appointment is to a service covered by Show Me Healthy Kids
- The appointment is to a health care provider near where you live. If the provider is far away, you may need to say why and get a note from your PCP. There are rules about how far you can travel to a health care appointment and get a ride.
- Some services already include NEMT. We will not give you a ride to these services. Examples are: Some Comprehensive Substance Treatment Abuse and Rehabilitation (CSTAR) services; hospice services; Developmental Disability (DD) Waiver services; some Community Psychiatric Rehabilitation (CPR) services; and services provided in your home. School districts must supply a ride to a child's Individual Education Plan (IEP) services.
- The NEMT program can take you to a durable medical equipment provider only if the durable medical equipment provider cannot mail or deliver your equipment to you.

How do I use the NEMT program?

Call 1-877-236-1020. You must call at least three (3) days before the day of the appointment, or you may not get NEMT. You may be able to get a ride sooner if your health care provider gives you an urgent care appointment. You can call 1-877-236-1020. If you have an emergency, dial 911 or the local emergency phone number.

Non-Emergency Medical Needs

When your needs are not life threatening, urgent care centers can provide quick, high quality health care. You should visit an urgent care center when you have symptoms similar the following:

- A fever that won't go away;
- Earaches;
- A rash that won't go away;
- A pulled or strained muscle; or
- Vomiting or diarrhea that doesn't stop.

For urgent health care appointments, you must be seen within the following time frames:

- For serious illnesses or injuries, appointments will be available at all times;
- For symptoms like a high temperature and vomiting or diarrhea that won't stop, you must be seen within twenty-four (24) hours; and
- For symptoms like a rash, non-life-threatening pain or fever, your provider must see you within five (5) business days or one (1) week, whichever is earlier.

Travel Distance Standards

Show Me Healthy Kids managed by Home State Health has contracted providers, hospitals, advanced practice nurses, behavioral health providers, substance use providers, dentists, and ancillary health care services throughout the four (4) regional service areas.

In the event that you are not able to access a contracted provider within thirty (30) miles of your home address, please call Member Services at 1-877-236-1020 for immediate assistance.

Health Care Away From Home

- If you need urgent health care when you are away from home, call your PCP or Show Me Healthy Kids at 1-877-236-1020 for help.
- In an emergency, you do not need to call your PCP first. Go to the nearest emergency room or call 911.
- Call your PCP after an emergency room visit.
- Get your follow up care from your PCP.
- Routine health care services must be received from your PCP when you get back home.
- All services outside the United States and its territories are not covered.

Out of State Care

If you are out of state and have an urgent problem, go to an urgent care clinic. Be sure to show your Show Me Healthy Kids managed by Home State Health member ID card prior to receiving services.

You are covered for services delivered outside the health plan's regions if the following conditions are met:

- You are out of State, and you have a medical or behavioral health emergency (If you are seen at an out-of-state hospital or an emergency, your follow-up care must be with a Show Me Healthy Kids network provider. You may also need to contact your PCP to get a referral if you need to see a specialist);
- Medical or behavioral health services are needed, and your health would be endangered if you were required to travel to your residence; or
- On the basis of medical advice, it is determined that you need special care that you cannot receive in Missouri. These services are subject to Show Me Healthy Kids' prior authorization and review process. If Show Me Healthy Kids approves, the cost of the care you get in the other state will be covered.

Members are not covered for services outside of the United States.

Out of Network Care

Out of network emergency services do not need approval from Show Me Healthy Kids managed by Home State Health. All other services from an out of network provider need prior authorization by Show Me Healthy Kids. We will first check to see if there is a network provider that can treat your medical condition. If there is not, we will help you find an out of network provider.

If Show Me Healthy Kids is unable to provide medically necessary covered services to you in a timely manner or within travel distance standards, we will adequately and timely cover these services by an out of network provider for as long as our provider network is unable to provide these services.

You will be financially responsible for payment of out of network service(s) if Show Me Healthy Kids did not approve the visit or service. If you have questions, call Member Services toll-free at 1-877-236-1020. Show Me Healthy Kids will notify you when the referral is approved.

Direct Access and Standing Referrals

You may request:

- A referral to an out of network provider when Show Me Healthy Kids managed by Home State does not have a provider in the network with appropriate training or experience to meet your needs;
- A standing referral from a specialist if you have a condition which requires ongoing care from a specialist;
- Access to a specialist and the procedure if you have a life-threatening condition or a degenerative and disabling condition or disease, either of which requires specialized medical care over a prolonged period.

Show Me Healthy Kids will notify you when the referral is approved.

You also have direct access to the services of the in-network OB/GYN of your choice for the provision of covered services.

Prior Authorization for Services

When you need care, always start with a call to your PCP. Some covered services may require prior authorization or review by Show Me Healthy Kids managed by Home State Health before services are provided. This includes services or visits to an out of network provider and some specialists. Home health services and some surgeries also need to be reviewed. Your provider can tell you if a service needs review. The list is on Show Me Healthy Kids' website at www.HomeStateHealth.com. You can also call Member Services at 1-877-236-1020 to see if something needs to be reviewed by Show Me Healthy Kids.

Emergency medical, behavioral health and substance use services DO NOT require prior authorization.

Second Opinion and Third Opinion

You may want an opinion from a different health care provider. In such cases, you must ask your PCP or Show Me Healthy Kids to get a second opinion. Show Me Healthy Kids will pay for it.

You may get an opinion from a third provider if your PCP and second opinion provider do not agree. Show Me Healthy Kids will pay for a third opinion. It is always important that you take all your health insurance cards to your appointments.

YOUR PRIMARY CARE PROVIDER

Choosing and Changing Your Primary Care Provider (PCP)

You must choose a PCP. If you do not, we will choose one for you. Your PCP will manage your health care.

The PCP knows the Show Me Healthy Kids managed by Home State Health network and can guide you to specialists if you need one. You may ask for a specialist as your PCP if you have a chronic illness or disabling condition. We will work out a plan to make sure you get the care you need.

You have a right to change PCPs in our Show Me Healthy Kids health plan. You can change your PCP with or without cause at any time. To do this, call us at 1-877-236-1020. PCP change requests will be effective the next calendar day.

Roles and Responsibilities of the PCP

PCPs shall serve as the members initial and most important contact. PCPs responsibilities include, but are not limited, to the following:

- Conduct behavioral health screens to determine whether the member needs behavioral health services;
- Maintain continuity of each member's health care;

- Provide referrals for specialty care and other medically necessary services to both in-network and out-of-network providers;
- Ensure follow up and documentation of all referrals including services available under the MO HealthNet Fee-for-Service program;
- Collaborate with Show Me Healthy Kids' care managers in developing plans of care for members who are receiving care management services;
- Maintain a comprehensive, current medical record for the member in a confidential manner, including documentation of all services and referrals provided to the member by the PCP, specialists, and providers of ancillary services such as diagnostic reports, physical and behavioral health screens, etc.;
- Participate in Show Me Healthy Kids' care management team, as medically necessary; and
- Assess for the signs, symptoms, and risks of trauma to inform treatment approaches and trauma-informed service needs.

ACCESS TO CARE

Connecting Your Healthcare

Options for managing your digital health records

The Interoperability and Patient Access Rule (CMS 9115 F) makes it easier for members to get their health records when they need it most. You have full access to your health records on your mobile device which lets you manage your health better and know what resources are open to you.

Imagine:

You go to a new doctor because you don't feel well, and that doctor can pull up your health history from the past five years. You use an up-to-date provider directory to find a provider or specialist. That provider or specialist can use your health history to diagnose you and make sure you get the best care. You go to your computer to see if a claim is paid, denied, or still being processed.

*The new rule makes it easy to find information** on:*

■ Claims (paid and denied)	■ Specific parts of your clinical information
■ Pharmacy drug coverage	■ Healthcare providers

****You can get information for dates of service on or after January 1, 2016.**

For more info, visit your online member account.

Access to Care

Show Me Healthy Kids must provide urgent care for physical or behavioral health illness within twenty-four (24) hours, routine care with symptoms within five (5) business days or routine care without symptoms within thirty (30) calendar days. For maternity care, there are special requirements. Show Me Healthy Kids must make providers available within thirty (30) miles from where you live. If there is not a licensed physical or behavioral health provider within your area, you will have access to physical and behavioral health providers within sixty (60) miles from where you live. Call 1-877-236-1020 if you need help.

If a provider is terminated from the Show Me Healthy Kids network, members may receive up to an additional 90 days of care if:

■ It is deemed medically necessary;	■ The member is in their third trimester of pregnancy; or
■ The member is disabled;	■ The member has a life-threatening illness.”

Health Care Appointments

Your health care providers must see you within thirty (30) days when you call for a regular health care and dental appointment. Call 1-877-236-1020 if you need help.

Pregnant women can see a health care provider sooner. In the first six (6) months of pregnancy, you must be seen within seven (7) days of asking. In the last three (3) months of your pregnancy, you must be seen within three (3) days of asking.

You should not have to wait longer than one (1) hour from the time of your appointment. For example, if your appointment time is 2:00 p.m., you should be seen by 3:00 p.m. Sometimes you may have to wait longer because of an emergency. Please call Show Me Healthy Kids at 1-877-236-1020 if you have problems or need help with an appointment. It is always important that you take all your health insurance cards to your appointments.

For urgent care appointments for physical or behavioral illness injuries which require care right away but are not emergencies such as high temperature, persistent vomiting or diarrhea, symptoms which are of sudden or severe onset but which do not require emergency room services, you must be seen within twenty-four (24) hours.

For routine care with physical or behavioral symptoms such as persistent rash, recurring high grade temperature, nonspecific pain, or fever, you must be seen within one (1) week or five (5) business days, whichever is earlier.

For routine care without physical or behavioral symptoms such as well child exams and routine physical exams, you must be seen within thirty (30) calendar days.

For after care appointments, you must be seen within seven (7) calendar days after hospital discharge.

For maternity care, Show Me Healthy Kids will provide initial prenatal care appointments for pregnant members as follows:

- First trimester appointments within seven (7) calendar days of first request.
- Second trimester appointments within seven (7) calendar days of first request.
- Third trimester appointments within three (3) calendar days of first request.
- Appointments for high-risk pregnancies within three (3) calendar days of identification of high risk to Show Me Healthy Kids or maternity care provider, or immediately if an emergency exists.

Your health care provider will care for you if he or she can. Your health care provider will send you to someone else if he or she is not able to see you that soon. It is always important that you take all your health insurance cards to your appointments.

Dental Appointments

Dental service appointments follow the same standards for access to care as other healthcare appointments

Explanation of Benefits (EOB)

Each time you receive medical services, the details of how the claim was paid is available on the member secure website. The detail explains which procedure and services were given, how much they cost and how much Show Me Healthy Kids pays. The information can also be printed if you would like to have a copy. If there are services you do not believe you received, please call Member Services at 1-877-236-1020.

If You are Billed

Show Me Healthy Kids managed by Home State Health will pay for all covered Show Me Healthy Kids services. You should not be getting a bill if the medical service you got is a covered Show Me Healthy Kids benefit. If you choose to pay for a service, you must agree in writing that you will be responsible for the payment before getting the service. The written agreement must show the date and service. It must be signed and dated by you and the provider. The agreement must be made before you receive the service. A copy of the agreement must be kept in your medical record.

You will not have to pay for covered health care services even if:

- The State does not pay your Show Me Healthy Kids health plan;
- Your Show Me Healthy Kids health plan does not pay your provider;
- Your provider's bill is more than your Show Me Healthy Kids health plan will pay; and
- Your Show Me Healthy Kids health plan cannot pay its bills.

You may have to pay for services you get if:

- You choose to get medical services that are not covered by Show Me Healthy Kids; or
- You go to a provider that is not a Show Me Healthy Kids provider without prior approval.

If you get a bill, do not wait! Call our Member Services office at 1-877-236-1020. Show Me Healthy Kids managed by Home State Health will look into this for you.

HELP FOR YOUR HEALTH

Care Management Services

You may ask for an assessment for care management services at any time by calling Show Me Healthy Kids managed by Home State Health at 1-877-236-1020.

Within fourteen (14) days of enrollment, Show Me Healthy Kids will also reach out to Show Me Healthy Kids members to perform an initial care management assessment. Show Me Healthy Kids is focused on improving your health and your experience.

Members experiencing the following events will also receive a care management assessment and be offered care management services:

- Three (3) or more emergency department visits in any given quarter;
- An admission to a psychiatric hospital or residential substance use treatment program;
- A readmission or a hospital stay of more than two (2) weeks.

Preventive Services

Show Me Healthy Kids must provide coverage for preventive services rated 'A' or 'B' by the U.S. Preventive Services Force www.uspreventiveservicestaskforce.org. If you have health insurance other than Show Me Healthy Kids, your other health insurance may be responsible for the payment of these preventive services.

Immunization (Shots) Schedule for Children

Immunizations (shots) help prevent serious illness. This record will help keep track when your child is immunized. If your child did not get their shots at the age shown, they still need to get that shot. Talk to your PCP about your child's immunizations (shots). Children must have their immunizations (shots) to enter school.

Immunization Record		
Age	Shot (Immunization)	Date Received
Birth	HepB	
2 months	DTaP, Hib, IPV, PCV, RV, HepB	
4 months	DTaP, Hib, IPV, PCV, RV

* The first dose of HepA vaccine should be given between 12 months and 23 months of age. The second dose should be given 6 months after the first dose.

**Can be given as early as 12 months, if there are six months since third dose.

***A 3rd shot series is needed for those with weakened immune systems and those who start the series at 15 years or older.

****Recommended unless your health-care provider tells you that you cannot safely receive it or that you do not need it. HPV doses depending on age of initial vaccination or condition.

*****Ages 16-18 who are not at increased risk may receive after discussing with their healthcare provider.

Missouri WIC program

The Missouri WIC program provides supplemental food, health care referrals, nutrition education and breastfeeding promotion and support to eligible pregnant, breastfeeding and postpartum women, infants and children up to age five. Visit <https://health.mo.gov/living/families/wic/> for additional information.

When You Are Pregnant

Keep these points in mind if you are pregnant now or want to become pregnant:

- Go to your health care provider as soon as you think you are pregnant. It is important for your health and your baby's health to see a PCP as early as possible. Seeing your PCP early will help your baby get off to a good start. It is even better to see your PCP before you get pregnant to get your body ready for the pregnancy. Show Me Healthy Kids Care Manager will help you find a PCP if you cannot find one or do not know how to find one. Please call 1-877-236-1020.

- Make an appointment with your dentist for a checkup and a cleaning.
- Set a goal to live a healthier lifestyle. Healthy lifestyle habits include exercising, eating balanced healthy meals and resting for eight (8) to ten (10) hours at night.

Pregnancy and Maternity Services

There are things you can do to have a safe pregnancy. See your health care provider about any medical conditions you may have such as diabetes or high blood pressure. Do not use tobacco, alcohol, or non-prescribed drugs either now or while you are pregnant. Show Me Healthy Kids managed by Home State Health recommends that you see your health care provider before becoming pregnant if you have experienced any of the following:

- You have had three (3) or more miscarriages;
- You have given birth to a premature baby (this means the baby came before thirty-seven (37) weeks of pregnancy) or a “preemie”; or
- You gave birth to a stillborn baby.

A note about folic acid: Folic acid is a very important nutrient that can help you have a healthier baby. You should take folic acid before you become pregnant or as soon as you find out you are pregnant. Some foods that have folic acid in them include orange juice, green vegetables, beans, peas, fortified breakfast cereals, enriched rice, and whole wheat bread. It is difficult to get enough folic acid from food alone when you are pregnant. Ask your health care provider about taking prenatal vitamins and see your PCP as soon as you think you are pregnant. If you have any questions about folic acid or your pregnancy, call Member Services toll-free at 1-877-236-1020.

Special Health Care Needs

If you have a special health care need, call Show Me Healthy Kids at 1-877-236-1020. Show Me Healthy Kids will work with you to make sure you get the care you need.

The following individuals are at high risk of having special health care needs:

- Individuals with Autism Spectrum Disorder
- Individuals with serious mental illness

If you have a chronic illness and are seeing a specialist for your medical care, you may ask Show Me Healthy Kids for a specialist to be your PCP.

Members may request and obtain access to a specialty care center if the member has a life threatening condition or disease, either of which requires specialized medical care over a prolonged period.

ELIGIBILITY INFORMATION

Insurance

You have Show Me Healthy Kids managed by Home State Health health care coverage. You may have other health insurance, too. This may be from a job, an absent parent, union, or other source. If you have other health insurance besides Show Me Healthy Kids, that insurance company must pay for most of your health services before Show Me Healthy Kids pays. If your other health insurance covers a service not covered by Show Me Healthy Kids, you will owe your provider what your insurance does not pay. It is important that you show all your insurance ID cards to your health care provider.

You must show your Show Me Healthy Kids and MO HealthNet ID cards to receive non-emergency care.

Show Me Healthy Kids and your other health insurance policy have rules about getting health care. You must follow the rules for each policy. There are rules about going out of network. Some services need prior approval. You may have to pay for the service if you don't follow the rules. For help, call Show Me Healthy Kids at 1-877-236-1020.

If you have health insurance other than Show Me Healthy Kids or your insurance changes, details about your insurance are needed. Have your insurance card with you when you call the following numbers. You must call:

- Show Me Healthy Kids at 1-877-236-1020 and;
- The MO HealthNet Enrollment Helpline at 1-800-348-6627; or

You must report insurance you get through your job, or you could lose your MO HealthNet benefits. MO HealthNet has a program that can pay the cost of other health insurance. The name of the program is Health Insurance Premium Payment (HIPP).

- You will need to contact the Children's Division per case type below to report your change of address:
 - For resource and kinship families, contact your CD case manager
 - For subsidy cases, contact your subsidy case manager
 - For former foster care cases, email CDMHNQuestions@dss.mo.gov
 - If your job has health insurance.
 - Call Third Party Liability (TPL) at 573-751-2005 to ask about the HIPP program.

You must call Show Me Healthy Kids at 1-877-236-1020, or the Children's Division within thirty (30) days if:

- You get hurt in a car wreck;
- You get hurt at work;
- You get hurt and have a lawyer; or
- You get money because of an accident.

Children in the care and custody of the state and receiving adoption subsidy assistance shall be automatically assigned to Show Me Healthy Kids effective on the first day of the month in which the child is enrolled with Show Me Healthy Kids. The member cannot choose a different health plan.

Members of the Show Me Healthy Kids health plan are not able to change health plans. However, if a member loses their eligibility, they will be automatically assigned to Home State Health plan.

If a Show Me Healthy Kids member loses their eligibility for this eligibility category, but retains eligibility under another managed care category within 60 days, the member shall be automatically assigned to the General Plan administered by the same health plan that administers Show Me Healthy Kids. If there is a break in the member's eligibility of longer than 60 days, the member shall be auto-assigned to a General Plan.

Medical Disability / Opting Out of Show Me Healthy Kids

Members of the Show Me Healthy Kids health plan are not able to change health plans, but you do have the option to opt out if:

- The member is eligible for Supplemental Security Income (SSI) benefits;
- The member meets the SSI medical disability definition; or
- The member is a with complex special health care needs.

For help with questions about opting out of Show Me Healthy Kids, call the MO HealthNet Managed Care Enrollment Helpline at 1-800-348-6627.

Newborn Coverage

If you have a baby, you must:

- Call your Children's Division case manager
- Call Show Me Healthy Kids at 1-877-236-1020
- Call the MO HealthNet Managed Care Enrollment Helpline at 1-800-348-6627. The State will give your baby an identification number, known as a DCN, or MO HealthNet number; and
- Pick a PCP for your baby in the Show Me Healthy Kids network.

If your baby is enrolled in Show Me Healthy Kids, you are not able to change health plans. If your baby is not enrolled in Show Me Healthy Kids they can change health plans. You can call the MO HealthNet Managed Care Enrollment Helpline at 1-800-348-6627 to assist with this change.

Newborns born to mothers who are not in Show Me Healthy Kids health plan but are in state care and custody are automatically assigned to Show Me Healthy Kids.

To be sure your baby gets all the services he or she needs, continue to use your current MO HealthNet Managed Care health plan and PCP until the new MO HealthNet Managed Care health plan is effective for you baby.

Health Plan Requests for Disenrollment

Show Me Healthy Kids may request disenrollment if one of the following occurs:

- You move out of Show Me Healthy Kids' service area;
- You do not follow your PCP's orders for your health care or continually miss your PCP's appointments without calling or telling your PCP;
- You let someone else use your Show Me Healthy Kids benefits and/or services;
- You are abusive or threaten Show Me Healthy Kids staff and/or providers;
- You request a home birth service; or
- You no longer qualify for medical assistance under one (1) of the Show Me Healthy Kids eligibility categories in the targeted population.

Show Me Healthy Kids must try to help you stay with us. We must write to you at least three (3) times during a ninety (90) calendar day period about disenrollment. We must tell you thirty (30) calendar days before we ask the State to change you to another health plan.

The health plan shall not initiate disenrollment:

- Because of a medical diagnosis or the health status of a member;
- Because of the member's attempt to exercise his or her rights under the grievance system;
- Because of pre-existing medical conditions or high-cost medical bills or an anticipated need for health care;
- Due to behaviors resulting from a physical or behavioral health condition; or
- Due to race, color, national origin, disability, age, sex, gender identity, or sexual orientation.

Hospitalization at the Time of Enrollment and Disenrollment

Members, including newborn members, who are hospitalized in an acute setting, shall not be disenrolled from Home State Health (General Plan) until an appropriate acute inpatient hospital discharge, unless a member is enrolling in Show Me Healthy Kids (Specialty Plan), is no longer eligible for the Managed Care Program, or opts out of participating in Managed Care.

Fee-For-Service to Managed Care

If the member is participating in the Fee-For-Service Program at the time of acute inpatient hospitalization on the effective date of enrollment into Home State Health, the member shall remain in the Fee-For-Service Program until an appropriate acute inpatient hospital discharge.

General Plan to Specialty Plan

For a general plan member who is enrolled into the Specialty Plan, the Specialty Plan shall assume financial responsibility for that member effective on the first day of the month in which the member enrolled in the Specialty Plan, regardless of whether the member was hospitalized on that date.

When a member moves from one health plan to another health plan, in addition to acute inpatient hospitalizations, admissions to facilities that provide a lower level of care in lieu of an acute inpatient admission may be considered as an acute inpatient hospitalization. The state agency reserves the right to determine if such an admission qualifies as an acute inpatient hospitalization. Only acute inpatient hospitalization shall apply when a new member moves from the Fee-For-Service Program to Managed Care Program.

MEMBER SATISFACTION

Advance Health Care Directive

You have the right to accept or refuse any medical care. A time may come when you are too sick to talk to your PCP, family or friends. You may not be able to tell anyone what health care you want. The law allows adults to do two things when this happens:

- An advance directive allows you to leave written directions about your medical treatment decisions.
- An advance directive also allows you to ask someone to decide your care for you.

Transition-aged youth, adult Show Me Healthy Kids members, and their parents/guardians have the right to execute psychiatric advance directives pursuant to Section 404.800 RSMo, the Durable Power of Attorney for Health Care Act.

If you do not have an advance health care directive, your PCP may not know what health care you want. Talk to your PCP or call Show Me Healthy Kids at 1-877-236-1020 for information on an advance health care directive. Your PCP must keep a written and signed copy of what care you want. An advance directive becomes part of your medical record.

Show Me Healthy Kids policies related to advanced directives do not prohibit the application of any Missouri law that allows for an objection on the basis of conscience.

If there is a problem with things not being done the way they should with an advance directive and the concerns are related to abuse, neglect or exploitation of a Missouri resident age sixty (60) plus or age eighteen (18) to fifty-nine (59) with a disability, you may file a complaint with the Missouri Department of Health and Senior Services at 1-800-392-0210 or write them at P.O. Box 570, Jefferson City, MO 65102. You may send an email to: info@health.mo.gov.

Advance Health Care Directives are available from the Missouri Bar, P.O. Box 119, 326 Monroe, Jefferson City, MO 65102. You may call them at 1-573-635-4128 or download forms from their website at www.mobar.org.

Advocates for Family Health

Advocates for Family Health is an ombudsman service. An ombudsman is a problem solver who can advise you and help you. Advocates for Family Health can help you if:

- You need help understanding your rights and benefits under Show Me Healthy Kids;
- You feel your rights to health care are being denied;
- You are not able to solve the problem by talking to a PCP, a nurse or Show Me Healthy Kids;
- You need to talk to someone outside of Show Me Healthy Kids;
- You want help when filing a grievance;
- You need help when appealing a decision by Show Me Healthy Kids; or

Fraud and Abuse

Committing fraud or abuse is against the law.

Fraud is a dishonest act done on purpose.

Examples of member fraud are:

- Letting someone else use your Show Me Healthy Kids or MO HealthNet ID card; and
- Getting prescriptions with the intent of abusing or selling drugs.

An example of provider fraud is:

- Billing for services not provided.

Abuse is an act that does not follow good practices.

An example of member abuse is:

- Going to the emergency room for a condition that is not an emergency.

An example of provider abuse is:

- Prescribing a more expensive item than is necessary.

You should report instances of fraud and abuse to:

Show Me Healthy Kids: 1-877-236-1020

or

MO HealthNet Division Constituent Services: 1-800-392-2161.

For Participant Fraud or Abuse contact:

Department of Social Services

Division of Legal Services, Investigation Unit: 1-573-751-3285

or

Send an email to MMAC.reportfraud@dss.mo.gov.

For Provider Fraud or Abuse, contact:

Missouri Medicaid Audit & Compliance Investigations

1-573-751-3285 or 1-573-751-3399.

or

Send an email to MMAC.reportfraud@dss.mo.gov.

Additional Information: If you suspect or witness a provider billing inappropriately or a member receiving inappropriate services, please call OIG's Hotline at 1-800-HHS-TIPS (447-8477), directly to a MO HealthNet Fraud Control Unit (MFCU) 1-800-286-3932 or our anonymous and confidential WAF hotline at 1-866-685-8664. Show Me Healthy Kids take all reports of potential waste, abuse or fraud very seriously and investigate all reported issues.

Grievances and Appeals

You may not always be happy with Show Me Healthy Kids managed by Home State Health. We want to hear from you and have people who can help you. Show Me Healthy Kids cannot take your benefits away because you make a grievance, appeal or ask for a State fair hearing. There are two (2) ways to tell Show Me Healthy Kids about a problem:

Grievance or Appeal

A grievance is a way for you to show dissatisfaction about things like:

- The quality of care or services you received;
- The way you were treated by a provider;
- A disagreement you may have with Show Me Healthy Kids policy; or
- You do not agree to the extension of time requested for a decision of a grievance or an appeal.

An appeal is a way for you to ask for a review when Show Me Healthy Kids:

Takes action to:

- Deny or give a limited approval of a requested service;
- Deny, reduce, suspend or end a service already approved; or
- Deny payment for a service.

Or fails to:

- Act within required time frames for getting a service;
- Make a grievance resolution within thirty (30) calendar days of receipt of request;
- Make an expedited decision within three (3) days of receipt of request;
- Make an appeal resolution within thirty (30) calendar days of receipt of request.

Show Me Healthy Kids must give you a written Notice of Adverse Benefit Determination if any of these actions happen. The Notice of Adverse Benefit Determination will tell you what we did and why and give you your rights to appeal and ask for a State Fair Hearing.

You Have Some Special Rights When Making a Grievance or Appeal

1. A qualified clinical professional will look at medical grievances or appeals.
2. If you do not speak or understand English, call 1-877-236-1020 to get help from someone who speaks your language.
3. You may ask anyone such as a family member, your minister, a friend, your provider, authorized representative, or an attorney to help you make a grievance or an appeal.
4. You may file a grievance at any time with either Show Me Healthy Kids or MO HealthNet.
5. If your physical or behavioral health is in danger, a review will be done within seventy-two (72) hours or sooner. This is called an expedited review. Call Show Me Healthy Kids and tell us if you think you need an expedited review.
6. Show Me Healthy Kids may take up to fourteen (14) calendar days longer to decide if you request the change of time or if we think it is in your best interest. If Show Me Healthy Kids changes the time, we must tell you in writing the reason for the delay.
7. If you have been getting medical care and Show Me Healthy Kids reduces, suspends, or ends the service, you can appeal. In order for medical care not to stop while you appeal the decision you must appeal within ten (10) calendar days from the date the Notice of Adverse Benefit Determination was mailed and tell us not to stop the service while you appeal. If you do not win your appeal you may have to pay for the medical care you got during this time.
8. Oral inquiries seeking to appeal an adverse benefit determination are treated as appeals (to establish the earliest possible filing date for the appeal).

How to Make a Grievance or Appeal and Ask for a State Fair Hearing

GRIEVANCE. You may file a grievance on the telephone or in writing.

To file a grievance over the telephone, call Show Me Healthy Kids at: 1-877-236-1020.

To file a grievance in writing, send to PO Box 10287, Van Nuys, CA 91410.

- Show Me Healthy Kids must write you within ten (10) calendar days and let you know we got your grievance.
- Show Me Healthy Kids must give written notice of a decision within thirty (30) calendar days.

APPEAL. You may file an appeal orally or in writing to Show Me Healthy Kids.

- You must appeal within sixty (60) calendar days from the date of our Notice of Adverse Benefit Determination.
- For help on how to make an appeal, call Show Me Healthy Kids at 1-877-236-1020.
- Send your written appeal to: PO Box 10287, Van Nuys, CA 91410
- Show Me Healthy Kids must write you within ten (10) calendar days and let you know we got your appeal.
- Show Me Healthy Kids must give written notice of a decision within thirty (30) calendar days unless it is an expedited review.

STATE FAIR HEARING. You have the right to ask for a State Fair Hearing when the Show Me Healthy Kids appeal process is deemed exhausted and your appeal is not decided in your favor. You may ask for a State Fair Hearing orally or in writing. Unless you need an expedited review, you must complete a written request even if you asked orally.

- You must ask for a State Fair Hearing within ninety (90) calendar days from the date Show Me Healthy Kids' written Notice of Appeal Resolution.
- For help on how to ask for a State Fair Hearing, call MO HealthNet at 1-800-392-2161.
- If you do not speak or understand English or need American Sign Language, call 1-800-392-2161 to get help from someone who speaks your language at no cost to you. This includes auxiliary aids and services. Members who use a Telecommunications Device for the Deaf (TDD) can call 1-800-735-2966. These services are available to you at no cost.
- You can send your written request to MO HealthNet, Constituent Services, Participant Services Unit, P.O. Box 6500, Jefferson City, MO 65102-6500, or fax to 573-526-2471.
- You will be sent a form to complete. Once you send the form back, a date will be set for your hearing.
- You may ask anyone such as a family member, your minister, a friend or an attorney to help you with a State Fair Hearing.
- A decision will be made within ninety (90) days from the date you asked for a hearing.
- If your physical or behavioral health is in danger, a decision will be made within three (3) business days. This is called an expedited hearing. Call 1-800-392-2161 if you think you need an expedited hearing.
- If you have been getting medical care and Show Me Healthy Kids reduces, suspends, or ends the service, you can ask for a State Fair Hearing. In order for medical care not to stop you must ask for a State Fair Hearing within ten (10) calendar days of the date the written appeal resolution was mailed and tell us not to stop the service while you appeal. If you do not win, you may have to pay for the medical care you got during this time.

You have the right to ask for a State Fair Hearing if one of the following occurs:

- Show Me Healthy Kids fails to act within required time frames for getting a service

- Show Me Healthy Kids fails to make an expedited decision within seventy-two (72) hours of receipt of request
- Show Me Healthy Kids fails to make an appeal resolution within thirty (30) calendar days of receipt of request”

Quality Improvement (QI)

Show Me Healthy Kids managed by Home State Health is committed to providing quality health care to you. Our primary goal is to improve your health and help you with any illness or disability. Our program is consistent with National Committee for Quality Assurance (NCQA) and Institute of Medicine (IOM) priorities. To help promote safe, reliable, and quality health care, our programs include:

- Conducting a thorough check on providers when they become part of Show Me Healthy Kids provider network;
- Monitoring the access Show Me Healthy Kids members have to all types of health care services;
- Providing programs and educational items about general health care and specific diseases;
- Sending reminders to you to get annual tests, such as adult physicals, cervical cancer screenings and breast cancer screenings; and
- Investigating your concerns regarding the health care you have received. If you have a concern about the care you received from your PCP or any service provided by Show Me Healthy Kids, please contact us toll-free at 1-877-236-1020.

Show Me Healthy Kids believes that getting input from members, like you, can help make the services and quality of our programs better. We conduct a member survey each year that asks questions about your experience with the health care and services you are receiving. If you receive one of our member surveys, please be sure to fill out the survey and drop it back in the mail.

Utilization Process

The utilization process is the review of services and care provided. This information helps Show Me Healthy Kids determine if you are receiving the right type of care. It gives us information to decide if we have the best providers available for our members.

The process begins with the PCP calling for approval for care. The care is reviewed by medical standards. Show Me Healthy Kids’ nursing staff works closely with your provider to give the care needed to complete your treatment plan. The nurses also work with the Family Support Division, social workers and other nursing or therapy staff to make sure the provider’s plan is carried out.

The State may request information for those cases that were not approved for service. Decisions are based only on your current coverage and appropriateness of care and service. Show Me Healthy Kids does not reward providers or other people for issuing denials of coverage of care. Financial incentives do not support under use of services.

MEMBER RIGHTS AND RESPONSIBILITIES

Changes You Need to Report

If you need to report a change in your address or contact information, or to request a new MO HealthNet ID Card, contact your or your child's Children's Division case manager or subsidy case manager. If you are a former foster care youth, please email CDMHNQuestions@dss.mo.gov.

- Make sure your child sees his/her PCP for regular check-ups and shots;
- Be knowledgeable about your medical coverage;
- Supply information (to the extent possible) that the organization and its providers need in order to provide care;
- Follow plans and instructions for care that you have agreed to with your provider; and
- Understand your health problems and participate in developing mutually agreed upon treatment goals, to the degree possible.
- Members are required to allow their provider agency to use Electronic Visit Verification (EVV), if necessary, or else risk losing their personal care services. Missouri regulation 13 CSR 70-3.320 contains the specific requirements for members and providers. For additional information, see the MO HealthNet website at <https://mydss.mo.gov/mhd/providers>.
- Show Me Healthy Kids shall protect its members in the event of insolvency and shall not hold its members liable for any of the following:
 - The debts of the health plan in the case of health plan insolvency;
 - Services provided to a member in the event the health plan failed to receive payment from the state agency for such service;
 - Services provided to a member in the event a health care provider with a contractual referral, or other type arrangement with the health plan, fails to receive payment from the state agency or the health plan for such services
 - Payments to a provider that furnishes covered services under a contractual referral, or other type arrangement with the health plan in excess of the amount that would be owed by the member if the health plan had directly provided the services.

Show Me Healthy Kids members are notified at least thirty (30) calendar days in advance when benefits or operations change. Some examples include:

- Advance directive policy changes;
- Comprehensive benefit package changes;
- Network changes;
- Prior authorization procedure changes;
- Utilization management procedure changes; and
- Service delivery office/site changes.

Show Me Healthy Kids members are notified, in writing, at least fifteen (15) calendar days in advance when their health care provider leaves our network.

If your Show Me Healthy Kids health plan benefits change or terminate, we will notify you in writing. You may also call Member Services at 1-877-236-1020 to receive information on benefit changes or updates.

Release for Ethical Reasons

Show Me Healthy Kids may object to covering a counseling or referral service for moral and religious reasons. If this occurs, Show Me Healthy Kids will let you know how and where else to get the service.

Call MO HealthNet at 1-800-392-2161 to receive information about accessing the services Show Me Healthy Kids may not cover for moral or religious objections.

Notice About Show Me Healthy Kids as a Payer of Last Resort

Sometimes, someone else has to pay first for the services we provide you. For example, if you are injured at work, insurance for Worker's Compensation has to pay first.

Show Me Healthy Kids has the right and the responsibility to collect payment for covered services when someone else has to pay first.

Right of Subrogation

Subrogation is the process by which Show Me Healthy Kids gets back some or all of the costs of your health care from another insurer or party. Examples of other insurers include:

- Your motor vehicle or homeowner's insurance;
- The motor vehicle or homeowner's insurance of an individual who caused your illness or injury; or
- Workers' Compensation.

If an insurer other than Show Me Healthy Kids should pay for services related to an illness or injury, Show Me Healthy Kids has the right to ask that insurer to repay us. Show Me Healthy Kids is subrogated to any right of recovery you have against a third person who caused your illness or injury or any right of recovery you have against another insurance plan, including but not limited to, any uninsured motorist coverage, underinsured motorist coverage, personal umbrella coverage, medical payments coverage, no-fault

automobile insurance coverage or any other first party insurance coverage. Unless otherwise required by law, coverage under this policy by Show Me Healthy Kids will be secondary when another plan, including another insurance plan, provides you with coverage for health care services.

If you have a worker’s compensation claim, or a pending personal injury, or tort, or product liability, or medical malpractice lawsuit, or has been involved in an auto accident, please contact the health plan at 1-877-236-1020.

NOTICE OF PRIVACY PRACTICES

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

Effective 1/1/2026

Covered Entity’s Duties

Show Me Healthy Kids managed by Home State Health is a Covered Entity as defined and regulated under the Health Insurance Portability and Accountability Act of 1996 (HIPAA). Show Me Healthy Kids is required by law to keep the privacy of your protected health information (PHI). We must give you this Notice of our legal duties and privacy practices related to your PHI, abide by the terms of the Notice that is currently in affect and notify you in the event of a breach of your unsecured PHI.

This Notice describes how we may use and disclose your PHI. It describes your rights to access, amend and manage your PHI and how to exercise those rights. All other uses and disclosures of your PHI not described in this Notice will be made only with your written authorization.

Show Me Healthy Kids reserves the right to change this Notice. We reserve the right to make the revised or changed Notice effective for your PHI we already have as well as any of your PHI we receive in the future. Show Me Healthy Kids will promptly revise and distribute this Notice whenever there is a material change to the following:

- The Uses or Disclosures
- Your rights
- Our legal duties
- Other privacy practices stated in the notice

We will make any revised Notices available on our website and in our Member Handbook.

Internal Protections of Oral, Written and Electronic PHI

Show Me Healthy Kids protects your PHI. We are also committed in keeping your race, ethnicity, and language (REL), and sexual orientation and gender identity (SOGI) information confidential. We have privacy and security processes to help. These are some of the ways we protect your PHI.

- We train our staff to follow our privacy and security processes.
- We require our business associates to follow privacy and security processes.
- We keep our offices secure.
- We talk about your PHI only for a business reason with people who need to know.
- We keep your PHI secure when we send it or store it electronically.
- We use technology to keep the wrong people from accessing your PHI.

Permissible Uses and Disclosures of Your PHI

The following is a list of how we may use or disclose your PHI without your permission or authorization:

- **Treatment.** We may use or disclose your PHI to a physician or other health care provider providing treatment to you, to coordinate your treatment among providers, or to assist us in making prior authorization decisions related to your benefits.
- **Payment.** We may use and disclose your PHI to make benefit payments for the health care services provided to you. We may disclose your PHI to another health plan, to a healthcare provider, or other entity subject to the federal Privacy Rules for their payment purposes. Payment activities may include processing claims, determining eligibility or coverage for claims, and reviewing services for medical necessity.
- **Healthcare Operations.** We may use and disclose your PHI to perform our healthcare operations. These activities may include providing customer service, responding to complaints and appeals, and providing care management and care coordination.

In our health care operations, we may disclose PHI to business associates. We will have written agreements to protect the privacy of your PHI with these associates. We may disclose your PHI to another entity that is subject to the federal Privacy Rules. The entity must also have a relationship with you for its healthcare operations. This includes the following:

- Quality assessment and improvement activities
- Reviewing the competence or qualifications of healthcare professionals
- Care management and care coordination
- Detecting or preventing healthcare fraud and abuse.

Your race, ethnicity, language, sexual orientation, and gender identity are protected by the health plan's systems and laws. This means information you provide is private and secure. We can only share this information with health care providers. It will not be shared with others without your permission or authorization. We use this information to help improve the quality of your care and services. This information helps us to:

- Better understand your healthcare needs.
- Know your language preference when seeing healthcare providers.
- Offer programs to help you be your healthiest.
- Providing healthcare information to meet your care needs.

This information is not used for underwriting purposes or to make decisions about whether you are able to receive coverage or services.

- **Group Health Plan/Plan Sponsor Disclosures.** We may disclose your PHI to a sponsor of the group health plan, such as an employer or other entity that is providing a health care program to you, if the sponsor has agreed to certain restrictions on how it will use or disclose the protected health information (such as agreeing not to use the protected health information for employment-related actions or decisions).

Other Permitted or Required Disclosures of Your PHI

- **Fundraising Activities.** We may use or disclose your PHI for fundraising activities, such as raising money for a charitable foundation or similar entity to help finance their activities. If we do contact you for fundraising activities, we will give you the opportunity to opt-out, or stop, receiving such communications in the future.
- **Underwriting Purposes.** We may use or disclose your PHI for underwriting purposes, such as to decide about a coverage application or request. If we do use or disclose your PHI for underwriting purposes, we are prohibited from using or disclosing your PHI that is genetic information in the underwriting process.
- **Appointment Reminders/Treatment Alternatives.** We may use and disclose your PHI to remind you of an appointment for treatment and medical care with us or to provide you information regarding treatment alternatives or other health-related benefits and services, such as information on how to stop smoking or lose weight.
- **As Required by Law.** If federal, state, and/or local law requires a use or disclosure of your PHI, we may use or disclose your PHI information to the extent that the use or disclosure complies with such law and is limited to the requirements of such law. If two or more laws or regulations governing the same use or disclosure conflict, we will comply with the more restrictive laws or regulations.
- **Public Health Activities.** We may disclose your PHI to a public health authority for the purpose of preventing or controlling disease, injury, or disability. We may disclose your PHI to the Food and Drug Administration (FDA) to ensure the quality, safety or effectiveness of products or services under the jurisdiction of the FDA.

- **Victims of Abuse and Neglect.** We may disclose your PHI to a local, state, or federal government authority, including social services or a protective services agency authorized by law to receive such reports if we have a reasonable belief of abuse, neglect or domestic violence.
- **Judicial and Administrative Proceedings.** We may disclose your PHI in response to an administrative or court order. We may also be required to disclose your PHI to respond to a subpoena, discovery request, or other similar requests.
- **Law Enforcement.** We may disclose your relevant PHI to law enforcement when required to do so for the purposes of responding to a crime.
- **Substance Use Disorder Records (SUD).** We will not use or disclose your SUD records in legal proceedings against you unless:
 - We receive your written consent, or
 - We receive a court order, you've been made aware of the request and been given a chance to be heard. The court order must include a subpoena or similar legal document requiring a response.
- **Coroners, Medical Examiners and Funeral Directors.** We may disclose your PHI to a coroner or medical examiner. This may be necessary, for example, to determine a cause of death. We may also disclose your PHI to funeral directors, as necessary, to carry out their duties.
- **Organ, Eye and Tissue Donation.** We may disclose your PHI to organ procurement organizations. We may also disclose your PHI to those who work in procurement, banking, or transplantation of cadaveric organs, eyes, and tissues.
- **Threats to Health and Safety.** We may use or disclose your PHI if we believe, in good faith, that the use or disclosure is necessary to prevent or lessen a serious or imminent threat to the health or safety of a person or the public.
- **Specialized Government Functions.** If you are a member of U.S. Armed Forces, we may disclose your PHI as required by military command authorities. We may also disclose your PHI to authorized federal officials for national security concerns, intelligence activities, the Department of State for medical suitability determinations, and the protection of the President, and other authorized persons as may be required by law.
- **Workers' Compensation.** We may disclose your PHI to comply with laws relating to workers' compensation or other similar programs, established by law that provide benefits for work-related injuries or illness without regard to fault.

- **Emergency Situations.** We may disclose your PHI in an emergency situation, or if you are incapacitated or are not present, to a family member, close personal friend, authorized disaster relief agency, or any other person previously identified by you.

We will use professional judgment and experience to determine if the disclosure is in your best interests. If the disclosure is in your best interest, we will only disclose the PHI that is directly relevant to the person's involvement in your care.

- **Inmates.** If you are an inmate of a correctional institution or under the custody of a law enforcement official, we may release your PHI to the correctional institution or law enforcement official, where such information is necessary for the institution to provide you with health care; to protect your health or safety; or the health or safety of others; or for the safety and security of the correctional institution.
- **Research.** Under certain circumstances, we may disclose your PHI to researchers when their clinical research study has been approved, and where certain safeguards are in place to ensure the privacy and protection of your PHI.

Uses and Disclosures of Your PHI that Require Your Written Authorization

We are required to obtain your written authorization to use or disclose your PHI, with few exceptions, for the following reasons:

- **Sales of PHI.** We will request your written authorization before we make any disclosure that is deemed a sale of your PHI, meaning that we are receiving compensation for disclosing the PHI in this manner.
- **Marketing.** We will request your written authorization to use or disclose your PHI for marketing purposes with limited exceptions, such as when we have face-to-face marketing communications with you, or when we provide promotional gifts of nominal value.
- **Psychotherapy Notes.** We will request your written authorization to use or disclose any of your psychotherapy notes that we may have on file with limited exception, such as for certain treatment, payment or healthcare operation functions.

You have the right to revoke your authorization, in writing at any time except to the extent that we have already used or disclosed your PHI based on that initial authorization.

Individual Rights

The following are your rights concerning your PHI. If you would like to use any of the following rights, please contact us using the contact information at the end of this Notice.

- **Right to Request Restrictions.** You have the right to request restrictions on the use and disclosure of your PHI for treatment, payment or healthcare operations, as well as disclosures to persons involved in your care

or payment of your care, such as family members or close friends. Your request should state the restrictions you are requesting and state to whom the restriction applies. We are not required to agree to this request. If we agree, we will comply with your restriction request unless the information is needed to provide you with emergency treatment. However, we will restrict the use or disclosure of PHI for payment or healthcare operations to a health plan when you have paid for the service or item out of pocket in full.

- **Right to Request Confidential Communications.** You have the right to request that we communicate with you about your PHI by alternative means or to alternative locations. This right only applies if the information could endanger you if it is not communicated by the alternative means or to the alternative location you want. You do not have to explain the reason for your request, but you must state that the information could endanger you if the communications means or location is not made. We must accommodate your request if it is reasonable specifies the alternative means or location where your PHI should be delivered.
- **Right to Access and Receive a Copy of Your PHI.** You have the right, with limited exceptions, to look at or get copies of your PHI contained in a designated record set. You may ask that we give copies in a format other than photocopies. We will use the format you request unless we cannot practicably do so. You must make a request in writing to obtain access to your PHI. If we deny your request, we will give you a written explanation and we will tell you if the reasons for the denial can be reviewed. We will also tell you how to ask for such a review or if the denial cannot be reviewed.
- **Right to Amend Your PHI.** You have the right to ask that we amend, or change your PHI if you believe it contains incorrect information. Your request must be in writing, and it must explain why the information should be amended. We may deny your request for certain reasons, for example, if we did not create the information you want amended and the creator of the PHI is able to perform the amendment. If we deny your request, we will provide you a written explanation. You may respond with a statement that you disagree with our decision, and we will attach your statement to the PHI you request that we amend. If we accept your request to change the information, we will make reasonable efforts to inform others, including people you name, of the amendment and to include the changes in any future disclosures of that information.
- **Right to Receive an Accounting of Disclosures.** You have the right to receive a list of instances within the last 6 years in which we or our business associates disclosed your PHI. This does not apply to disclosures for purposes of treatment, payment, healthcare operations, or disclosures you authorized and certain other activities. If you request this accounting more than once in a 12-month period, we may charge you a reasonable, cost-based fee for responding to these additional requests. We will provide you with more information on our fees at the time of your request.

- **Right to File a Complaint.** If you feel your privacy rights have been violated or that we have violated our own privacy practices, you can file a complaint with us in writing or by phone using the contact information at the end of this Notice.

You can also file a complaint with the Secretary of the U.S. Department of Health and Human Services Office for Civil Rights by sending a letter to 200 Independence Avenue, S.W., Washington, D.C. 20201 or calling 1-800-368-1019, TTY: 1-800-537-7697 or visiting hhs.gov/ocr/privacy/hipaa/complaints/.

WE WILL NOT TAKE ANY ACTION AGAINST YOU FOR FILING A COMPLAINT.

- **Right to Receive a Copy of this Notice.** You may request a copy of your Notice at any time using the contact information listed at the end of the Notice. If you get this Notice on our website or by electronic mail (email), you are also entitled to request a paper copy of the Notice.
