

Effective July 1, 2026, the MO HealthNet Division (MHD) is terminating reimbursement for the services below. These changes apply to all MO HealthNet participants statewide, including Home State Health (HSH) and Show Me Healthy Kids (SMHK) members.

- HSH and SMHKs will no longer reimburse for acupuncture, chiropractic, and physical therapy services provided under the Complementary Health and Alternative to Chronic Pain Management program.
- HSH and SMHKs will stop reimbursements to licensed chiropractors for services provided to MO HealthNet participants.

Services rendered after **June 30, 2026**, will not be eligible for coverage or reimbursement. Any pre-certifications previously approved under the Complementary Health and Alternative to Chronic Pain Management Program for physical therapy, chiropractic, or acupuncture services with dates of service on or after **July 1, 2026**, will be terminated effective **June 30, 2026**.
