

Home State Health and Allwell *from Home State Health* Physical Medicine Prior Authorization Provider Education Webinars

Effective June 1, 2019, physical, occupational and speech therapy (PT, OT and ST) services will no longer be managed through a post-service review process for Home State Health Medicaid. Home State Health and Allwell *from Home State Health* remain committed to ensuring that these services provided to their members are consistent with nationally recognized clinical guidelines. Therefore, beginning June 1, 2019, prior authorization for PT, OT and ST services will be required to determine whether services are medically necessary and appropriate.

The utilization management of these services will continue to be managed by NIA.

Home State Health, Allwell *from Home State Health* and NIA encourages providers to attend an upcoming provider education webinar reviewing these changes and the NIA prior authorization process.
