

An important
message from
Provider Relations

We have exciting news about Allwell from Home State Health!

We are expanding our service area and will be offering our Medicare Advantage plans in the following counties with an effective date of January 1, 2019:

Adding the St. Louis Metro Market:

Crawford, Franklin, Jefferson, Lincoln, St. Charles, Warren and Washington counties.

Expanding the Greater Springfield Market:

Adding Dallas, McDonald, Polk and Webster counties to our existing counties - Barry, Christian, Greene, Jasper, Lawrence and Newton.

Kansas City Market:

Continue to offer our plans in Cass, Clay, Jackson and Platte counties.

As our provider partner, you will have an essential role in the care of our Medicare members and we look forward to working with you in the years to come.

You should be aware that our Medicare plans (MAPD and D-SNP) are offered under the brand name Allwell from Home State Health. Our members carry Allwell branded ID cards so it is important that you and your staff are aware of our ownership of that brand name.

The Allwell brand unites our family of local and regional Medicare plans under one national umbrella and will allow us, over time, to establish a widely recognized name in the Medicare marketplace. It is intended to evoke the confidence, peace of mind, security, and happiness our members strive for—and that we deliver through outstanding benefits and superior service, accompanied by the compassionate and expert care of our valued providers.

Also, we would like to remind you that the 2019 benefits will become public on 10/1 in preparation for the Annual Election Period (AEP) which begins 10/15. Therefore, you could start receiving phone calls from patients very soon.

We look forward to working with you to provide the high level of coverage, service, and care our members—and your patients—deserve.
