Missouri Medicare Audit and Compliance Managed Care Organization Providers

Home State's Allwell Dual Eligible Plan will go live on January 1, 2019. To ensure that payments from the state are processed, all Home State Health providers must be enrolled in the Missouri Medicaid Audit & Compliance (MMAC) Provider Enrollment Unit.

If you have never enrolled, you will need to do so before submitting any claims for our Dual eligible members. You must submit an enrollment application by clicking on the link below:

<https://mmac.mo.gov/providers/provider-enrollment/mco-network-providers/>

You only need to submit one application to MMAC, regardless of how many MCOs you hold a contract with. Therefore, if you have previously enrolled with MO HealthNet as a billing or performing provider as part of another MCO's network, you do not need to do anything additional.

Please note: Each NPI and Tax ID combination you submit on claims, must go through this screening or enrollment process. Failure to do so will result in claim denials.
