An important
message from
Provider Relations

As our provider partner, you will have an essential role in the care of our Ambetter members and we look forward to working with you in the year to come.

You should be aware that our Ambetter plans are offered under the brand name Ambetter from Home State Health. Our members carry Ambetter branded ID cards so it is important that you and your staff are aware of our ownership of that brand name.

The Ambetter brand unites our family of local and regional Ambetter plans under one national umbrella. It is intended to evoke the confidence, peace of mind, security, and happiness our members strive for—and that we deliver through outstanding benefits and superior service, accompanied by the compassion and expert care of our valued providers.

Also, we would like to remind you that the 2019 open enrollment begins November 1, 2018 and ends December 15, 2018.

Therefore, you could start receiving phone calls from patients very soon.

We look forward to working with you to provide the high level of coverage, service and care our members—and your patients—deserve.
