
COVID-19 Screening and Treatment Guidance for Providers

April 6, 2020

Dear Provider,

Thank you for your ongoing partnership with Home State Health, Ambetter from Home State Health, and Allwell from Home State Health during this time of great need. As we continue to learn more about the novel coronavirus and its resulting illness COVID-19, we want to update you on the latest information related to delivering high quality healthcare to our members.

We are working to quickly address and support screening, testing and treatment for COVID-19, and are closely following guidance from the Centers for Medicare and Medicaid Services (CMS). As of April 1, 2020, the following guidance can be used to bill for services related to the screening and treatment of COVID-19.

COVID-19 Screening Services

- All member cost share (copayment, coinsurance and/or deductible amounts) will be waived for COVID-19 screening visits and if billed alongside a COVID-19 testing code.
- If no testing is performed, providers may still bill for COVID-19 screening visits for suspected contact using the following Z codes:
 - **Z20.828** – Contact with a (suspected) exposure to other viral communicable diseases
 - **Z03.818** – Exposure to COVID-19 and the virus is ruled out after evaluation
- This applies to services that occurred as of February 4, 2020.
- Providers billing with these codes will not be limited by provider type.

COVID-19 Treatment Services

- Home State Health, Ambetter from Home State Health, and Allwell from Home State Health will waive prior authorization requirements and member cost sharing for COVID-19 treatment for all members.
