

## Home State Health's - New Dental Network

As we continue to further increase integrated care models, Home State Health is excited to announce that Dental Health & Wellness will be our new dental benefit manager, effective February 1, 2015.

Dental Health & Wellness is a subsidiary of Centene Corporation and sister-company of Home State Health. Our teams will work closely together to deliver effective integrated clinical care programs, specific to our MO HealthNet members. Our work with Dental Health & Wellness will allow our teams to better align resources for improved dental and physical health outcomes.

It is important to note that the vast majority of Home State's dental providers have chosen to continue their participation with Home State through Dental Health and Wellness.

For a listing of Dental Health and Wellness providers, please visit Home State's website at [www.HomeStateHealth.com](http://www.HomeStateHealth.com). For any additional assistance, please call Home State Health at 1-855-694-HOME (4663).

We look forward to our continued work and support of our local providers and our partnership with Dental Health & Wellness as we serve Home State Health members.
