

Effective January 1, 2016, First-Tier, Downstream, and Related Entities (FDR), as well as delegated entities, will be required to complete training via the Medicare Learning Network (MLN) website. The trainings must be completed by each individual provider/practitioner within the group rather than one person representing the group collectively. The updated regulation requires all applicable entities (providers, practitioners, administrators) to complete the training within 90 days of contracting or becoming a delegated entity and annually thereafter. Once the training is completed, each applicable entity will need to complete the certificate(s) of completion or attestation through the CMS MLN and provide a copy to Allwell from Home State Health Plan

*Note: FDR's deemed to have met the FWA training and education certification requirements through enrollment into Parts A or B of the Medicare program or through accreditation as a supplier of DMEPOS are exempt from the FWA training requirement only (General Compliance training remains a requirement)
