In this quarter's newsletter we feature information about Home State's Provider Portal and how it can help save time, reduce paperwork and increase efficiency. Other stories include news of the upcoming 2014 ICD 10 diagnosis codes, and timely healthcare information. To learn more, go to the Home State Provider page at www.HomeStateHealth.com.
- Home State wants to remind providers that our **enhanced transportation** program now offers **same day scheduling to all Primary Care Provider appointments, including OB visits** for Home State pregnant members. A minimum of one hour advanced notice is required. However, advanced time and pick up schedules may vary based on the current volume at the time transportation is requested.
