Breast Pump Program

What is the Breast Pump Program?

The Home State Health Breast Pump Program provides mothers with a breast pump to encourage breastfeeding. Home State Health will provide electric breast pumps under this program.

Breast pumps are distributed through Nextra Health, formerly STL Medical.

Who is eligible?

- Eligible pregnant mothers who are close to delivering can request a breast pump. Members can order their breast pump 30 days prior to their expected due date.
- Member (mom or baby) must be eligible for Home State Health at the time of the request
- An auth is not required for a breast pump request

When will members received their breast pump?

Members who are close to delivering can request a breast pump but it will not ship prior to 30 days before the expected delivery date. Orders are sent to the physician right away for signature and pumps are shipped directly to the member. Breast pumps cannot be sent to a P.O. Box.

If Mom delivers early, call Nextra Health and let them know so they can expedite the process or contact the Care Management department at Home State Health 1-855-694-4663 ext 6075125 or email: HSHPCareManagement@centene.com

How many breast pumps can a member receive?

One breast pump per lifetime for a qualifying mother. Replacements may be issued in future pregnancies if deemed necessary (i.e. flood, fire, etc). Replacement accessories can be requested through vendor. This is at no cost to member.

How can a breast pump be requested?
