

Coverage under Show Me Healthy Kids managed by Home State Health began July 1, 2022. Individuals who qualify for coverage through SMHK were automatically moved to this plan from their existing health plan or will be enrolled in this health plan the day they are approved for MO HealthNet benefits. Members can see out of network providers if they are out of network for 180 days from July 1, 2022. Out of network providers can contract with our health plan to become in network.

What Are the Benefits?

Show Me Healthy Kids offers specialized managed care for youth who are in DSS custody, former foster children, and for individuals receiving adoption and guardianship subsidy. View your member [handbook](#) for more information.

Some [benefits](#) include:

- 24-hour [nurse advice line](#)
- [Care Management](#) and care coordination
- Health coaching programs and caregiver support
- After- school programs for members
- Medication lock boxes and noise machines
- [Transportation](#) for non-emergency appointments
- Health plan mobile app to view member information
- [Rewards](#) for completing healthy behaviors

Caregiver Support

Show Me Healthy Kids has several [programs](#) to help caregivers with support in understanding how to manage member health conditions and needs. Our health plan offers free training online [here](#) for all foster care and adoption caregivers on topics, such as self-care, child abuse and neglect, and post-adoption support.

Additionally, families can join The Association for Training on Trauma and Attachment in Children (ATTACH) caregiver support group meetings [here](#) at no cost every 1st and 3rd Monday at 8pm and every Wednesday at 11am.

Care managers are available to help you find your way through the healthcare system so members can get the treatments and social services they need.

Care managers are nurses, behavioral health specialists, social workers, and support associates who will be coordinating care and have regular contact with the member's care team. This includes attending Family Support Team meetings, providing physical health, behavioral health, and social resources, inpatient and post discharge outreach, assisting with level of care transitioning, Individualized Education Plan (IEP) coordination, and supporting the Adolescence to Adulthood program.

We can assist with [locating providers](#), overcoming barriers to care access by assisting with transportation, reviewing claims history for continuity of care and linking members with resources to avoid a crisis. Care Management programs are available for general child and adult care management, sickle cell, asthma, or lead care management, and pregnancy and NICU care management.

Additional Member Benefits

Start Smart for Your Baby[®]

Our special [program](#) for pregnant members. Members may receive access to lactation consultants, diapers, belly bands, and rewards for attending OB appointments.

Asthma Waves

Get [connected](#) to an asthma care manager to provide education and support. Members may receive spacer, peak flow meter, and hypoallergenic items without requiring a prior auth or a prescription.

Babylon

A [phone app](#) that connects you to medical providers for video appointments 24/7. Receive 1:1 appointments, prescriptions, and more.
