Dear Provider,

Thank you for your continued partnership with Home State Health. As you know, we continually review and update our payment and clinical policies to ensure that they are designed to comply with industry standards while delivering the best patient experience to our members. We are writing today to inform you of new policies Home State Health will be implementing as outlined below.

| Policy Number | Policy Name | Policy Description | Lines of Business | Effective Date |
|------------------|--------------------------------------|--|-------------------------------------|----------------|
| MO.PP.802 | Biopsychosocial Treatment of Obesity | Home State Health began covering Biopsychosocial Treatment of Obesity with dates of service July 1, 2022, consistent with MO HealthNet (MHD) requirements and as outlined in this policy. | Medicaid | 7/1/2022 |
| CP.MP.242 | Pulmonary Function Testing | Pulmonary function tests (PFTs), also known as lung function tests, include a variety of tests to check how well the lungs are working. This policy describes the medical necessity guidelines for pulmonary function testing. | Marketplace Medicaid Medicare | 2/1/2023 |

For detailed information about these policies, please refer to our website at www.homestatehealth.com. And for questions about this or any of our payment policies, please don't hesitate to reach out to our line of business-specific Provider Services team at the phone numbers listed below.
