

Do you need a ride?

If you have MO HealthNet (Medicaid) Managed Care benefits from Home State Health and are eligible for the transportation benefit, **we have great news for you about your transportation benefit.**

You can use Rideshare, such as Lyft* or Uber*, to get to and from your doctor appointments, lab tests, therapy appointments and any other non-emergency medical appointment.

Rideshare delivers short wait times, outstanding service, ride tracking and better access to healthcare services.

You can schedule same-day transportation for visits with your Primary Care Physician (PCP), OB visits for pregnant members and 7-day Behavioral Health Follow up after hospital stay. For all other appointments, please call 3 days before to arrange a ride.

*If available in your area.

If you have any questions, or would like to schedule transportation, call Home State Health, **Monday through Friday from 8am to 5pm, at the following number:**
