Urgent Care Centers

***No appointments, short wait times,
close-to-home care and easy to use.***

Sometimes you need medical care soon, but it is not an emergency.

**Call Home State Health Plan at 1-855-694-4663 for
information about urgent care centers.**

It's best to call or go to your PCP's office
for things that are not emergencies, like:

- High temperature
- Persistent vomiting or diarrhea
- Symptoms which are of sudden or
severe onset but which do not require
emergency room services

You should call your PCP to be
treated for these things. If you go
to the emergency room and it is
not an emergency, you may have
to pay for the care you get.

Visit any of these Urgent Care Centers
for fast, high-quality care that will have
you feeling better in no time.

**If your symptoms ARE life threatening,
don't waste time. Call 911 Immediately.**
