

Home State Health Facility Site Selection (FSS) Program Provider Education Webinars

National Imaging Associates, Inc. (NIA) on behalf of Home State Health, has worked with ordering providers to help select approved advanced imaging services (CT and MR) since June 1, 2018, promoting the use of preferred, cost-effective in-network imaging facilities.

Effective November 1, 2019, a change will go into effect to promote the use of the appropriate setting for these advanced imaging services. CT and MR are appropriately administered in non-hospital settings unless there is a clinical reason that a hospital setting is required. Sites selected by providers for CT and MR services should be appropriate non-hospital (free-standing or in-office) settings.

Home State Health and NIA welcome providers to attend a provider education webinar on the upcoming changes to the FSS Program. There will be two, one-hour long webinar sessions that will take place on the following dates. You will only need to attend one of these educational sessions:

- **Tuesday, October 22, 2019** **8:00 AM CST**
Register at the following address:
 - <http://bit.ly/MagellanhealthHomeStateFSSWebinar102219>
- **Thursday, October 24, 2019** **12:00 PM CST**
Register at the following address:
 - <http://bit.ly/MagellanhealthHomeStateFSSWebinar10241912pm>

It is recommended but not mandatory that you RSVP at least one week prior to the training that you plan to attend by registering for one of the education sessions above. You can either click on the registration link or type the URL address into your browser to register.

You will receive a registration confirmation email from NIA for the Webinar session you selected. It is recommended that computer access is utilized if possible to view educational documents during the webinar. To access the webinar by computer, please click on the link for the session you would like to attend or type the URL address into your browser. Please see [call-in instructions](#) below, if you do not have computer access.

Home State Health and NIA look forward to working with you to ensure that your Home State Health members receive diagnostic imaging services delivered in a quality, clinically appropriate fashion.

Access Instructions

You will need a computer with Internet access to view the education materials presented during the Webinar. **Please attempt to sign-in 15 minutes prior to the meeting start time.**

Telephone (Please use caution to dial number correctly.):

Phone # 1-669-900-6833

Meeting ID for Tuesday, October 22, 2019

8 AM CST

ID# 502032154

Meeting ID for Thursday, October 24, 2019

12:00 PM CST

ID# 807242677

All Home State Health approved educational materials for this program are posted on the NIA website, www.RadMD.com. For new users to access these web-based documents, a RadMD account ID and password must be created.

To get started, simply go to www.RadMD.com, click the New User button and submit a “RadMD Application for New Account.” Once the application has been processed and a password link delivered by NIA via e-mail, you will then be invited to create a new password. Links to the approved training/education documents are found on the My Practice page for those providers logged in as an Imaging Facility and among the RadMD Menu Options for those logged in as Ordering Physician. If you are an Imaging Facility or Hospital that performs imaging exams, an administrator must accept responsibility for creating and managing all logins to RadMD. Your RadMD login information should not be shared.
