Important Requirement Reminder for Medicaid & Ambetter Notice of Pregnancy (NOP) Submission via the Secure Portal

As part of Home State Health's commitment to care management a Notice of Pregnancy (NOP) requirement was implemented January 1, 2018.

For Medicaid, a NOP form must be on file prior to reimbursement of obstetrical prenatal claims (E&M codes with/without TH modifier and/or obstetrical diagnosis code).

Key Information:

- NOP must be submitted at the first prenatal visit for your pregnant patient via the Home State Health portal (see below).
- Submission of the NOP allows Home State's care management team to coordinate the member's care and identify any possible high risk pregnancies.
- Our obstetric care management staff want to complement and support the care you provide to Home State Health members in your office.
- Patients can also submit a NOP for themselves via the Home State Health portal via their login.

The screenshot shows the Home State Health secure portal interface. At the top, there are navigation tabs for Eligibility, Patients, Authorizations, Claims, and Messaging. Below this, there are search filters for 'Viewing Patients For' (TIN) and 'Plan Type' (Home State Health Plan), along with a 'Find Patient' button. The main content area is divided into a left sidebar with a menu and a main content area. The 'Assessments' menu item is highlighted with a red arrow. The main content area shows a form titled 'Please tell us about your patient's health' with sections for 'HRA - DSNP/MMP_V4', 'General Member Notation', and 'Notification of Pregnancy'. The 'Notification of Pregnancy' section is highlighted with a red box and includes a 'Fill Out Now!' button. A yellow warning box states 'You have not told us about anything yet. Please fill out a form.' A callout box at the bottom right of the screenshot contains the following text:

All NOPs must be submitted via the secure portal at [HomeStateHealth.com](https://www.HomeStateHealth.com).

Please submit by logging in to the secure portal and completing the NOP form under "Assessments" on the member's record.

A screenshot of a web portal interface. At the top left, there is a button labeled "Back to Eligibility Check". To its right, the name "DANIEL L. BARNETT" is displayed. A red speech bubble points to a green notification box that says "Thank you for submitting Notification of Pregnancy. It will display in 24 hours." with an "X" icon to close it. Below this, there is a section titled "Please tell us about your patient's health" with a sub-heading "Notification of Pregnancy" and a "Fill Out Now!" button. A sidebar on the left contains menu items: Overview, Assessments (highlighted), Health Record, Care Plan, Authorizations, Referrals, Coordination of Benefits, and Claims.
