

**You're invited to attend the AAP Lead Testing Webinar:
Clinical Innovations in Lead Testing & Management**

As part of the AAP project, "Increasing Capacity for Blood Lead Testing and Interpretive Guidance for Blood Lead Results", in partnership with the [Pediatric Environmental Health Specialty Units](#) (PEHSU) program, this is the third in a 4-part webinar series, presented by pediatric lead experts from the AAP and the PEHSU program, that aims to educate primary care providers on the various aspects of lead exposure prevention, testing, treatment, and case management.

Title: *Clinical Innovations in Lead Testing and Management*

Date: Tuesday, April 23, 2019

Time: 2:00 pm ET / 1:00 pm CT / 12:00 pm MT / 11:00 am PT

Registration link:

<https://aap.webex.com/aap/onstage/g.php?MTID=ef73187ecda1842ba5dce4306c8b98ba6>

Presenters:

Jeremy J. Michel, MD, MHS, FAAP

Faculty, Center for Pediatric Clinical Effectiveness (CPCE), Children's Hospital of Philadelphia (CHOP)

Pediatrician, Karabots Pediatric Care Center in West Philadelphia

Marissa Hauptman, MD, MPH, FAAP

Assistant Director, Pediatric Environmental Health Center

Region 1 Pediatric Environmental Health Specialty Unit

General Pediatrics, Boston Children's Hospital

Description: This webinar will discuss the variability in city, state, and national lead testing recommendations, as well as provide case studies on improving lead testing rates and adherence to case management guidelines through integration into electronic health records (EHRs).

Please contact Cassie Bernardi at cbernardi@aap.org with any questions.
