

## Missouri Medicaid Audit and Compliance Managed Care Organization Providers

### LIMITED ENROLLMENT FOR MANAGED CARE NETWORK PROVIDERS (INDIVIDUAL and ORGANIZATIONAL)

To comply with the Medicaid and CHIP Managed Care Final Rule (CMS-2390-F) and 42 CFR § 438.602(b), each State Medicaid Agency (SMA) **must screen and enroll all network providers of contracted Managed Care Organizations (MCOs)**. Since you are a Home State Health provider, you must submit an enrollment application to the Missouri Medicaid Audit & Compliance (MMAC) Provider Enrollment Unit within 120 days of the effective date of your MCO contract. You only need to submit one application to MMAC, regardless of how many MCOs you hold a contract with. If you do not complete the application process with MMAC, Home State is required to terminate your network agreement. **You will not be required to provide any services to Medicaid Fee for Service participants.** If you are already enrolled with MO HealthNet as a billing or performing provider, you do not need to complete this application.

**Please note: Each NPI and Tax ID combination you submit on claims, must go through this screening or enrollment process. Failure to do so will result in claim denials.**

Below is the link to the individual and organizational applications.
