

Important Notice Regarding Prior Authorization

National Imaging Associates, Inc. (NIA) provides utilization management services for non-emergent, Medical Specialty Solutions for Home State Health. In the interest of streamlining authorization processes and improving member outcomes, Home State Health has expanded its partnership with NIA. **Effective September 1, 2022**, the prior authorization program with NIA will be expanded to include the following non-emergent outpatient Medical Specialty Solution procedure:

- **CPT Code 74263** - Screening CT Colonoscopy (Virtual Colonoscopy, CT Colonography)

Providers may begin contacting NIA on September 1, 2022 to seek prior authorization for Screening CT Colonoscopies scheduled on or after September 1, 2022. NIA will manage this procedure through the existing Home State Health contractual relationships.

Please note the following:

- Coverage varies by product and will be indicated in the prior authorization tool.
- The ordering physician is responsible for obtaining authorization prior to rendering the above-listed services. To obtain authorization, the provider should go to the NIA web-site www.RadMD.com, or through the NIA dedicated toll-free phone number, 1-800-308-2615.
- Providers rendering the services listed above should verify that the necessary authorization has been obtained by visiting www.RadMD.com, or by calling NIA at 1-800-308-2615. Failure to do so may result in nonpayment of your claim.
- Emergency room and inpatient Medical Specialty Solution procedures do not require authorization.

We appreciate your continued support. If you have any questions about this notice, please contact your Home State Health Provider Partner Associate at 1-855-694-4663.
