

Clinical Policy Updates

Effective July 18, 2022

Thank you for your continued partnership with Home State Health. As you know, Home State continually reviews and updates our clinical policies to ensure that they are designed to comply with industry standards while delivering the best patient experience to our members. This notice is to inform you of new policies Home State Health will be implementing **effective July 18, 2022**.

In order to align with standard coding guidelines, encourage appropriate utilization of resources, and encourage the highest quality treatment, effective for dates of service beginning **July 18, 2022**, Home State is implementing these new policies and practices across all lines of business.

Prior authorization can be obtained through our secure provider web portal here:

<https://www.homestatehealth.com/providers/tools-resources/prior-authorization.html>

Our current clinical policies, including these policies, are located on our public website at www.homestatehealth.com/providers/tools-resources/clinical-payment-policies.html. Below is a matrix outlining the policies, which will apply to our various products.
