Important New Requirement

Notice of Pregnancy (NOP) Submission via the Secure Portal

Notice of Pregnancy (NOP) Submission
As part of Home State Health's commitment to care management a Notice of Pregnancy (NOP) requirement was implemented January 1, 2018. An NOP form must be on file prior to reimbursement of obstetrical prenatal claims (E&M codes with/without TH modifier and/or obstetrical diagnosis code).

Effective September 2, 2019, NOPs will no longer be accepted via fax. All NOPs must be submitted via the secure portal at www.HomeStateHealth.com .

Attached is Home State Health's NOP form. Please submit by logging in to the secure portal at www.HomeStateHealth.com and completing the NOP form under "Assessments" on the member's record.

➢ **Keep Up with Our Latest News and Announcements!** All of Home State's News and Announcements are located on our website at www.HomeStateHealth.com. Here you can also find our annual provider manual, provider training opportunities, quarterly provider newsletters, and so much more!

The NOP form <u>cannot</u> be submitted as an attachment to a claim through the secure portal. The form will not be recognized and therefore the claim will deny.

Submission of the NOP allows Home State's care management team to coordinate the member's care and identify any possible high risk pregnancies. Our obstetric care management staff wants to complement and support the care you provide to Home State Health members in your office.
