Section III: Information

Section 1902(a)(13)(C) of the Social Security Act specifies that physician's with a primary specialty designation of family medicine, general internal medicine, or pediatric medicine are primary care providers. Those that render evaluation and management codes and services related to immunization administration for vaccines and toxoids for specified codes would be eligible for reimbursement.

As proposed in 42 CFR 447 "Payment for Services," in order to be eligible for the increased payment the following requirements must be met. The provider must:

- Be a physician defined in 42 CFR 440.50, or under the personal supervision of a physician with specialist designation in family practice, general internal medicine and pediatrics or a subspecialty recognized by the **American Board of Medical Specialties:**
- Be board certified in the specialty or subspecialty; or
- Have furnished evaluation and management (E&M) and vaccines services that equal at least 60% of the Medicaid codes billed during the most recently completed Calendar Year.

Section IV: American Board of Medical Certification
