

An important  
message from  
**Provider Relations**

Dear Valued Provider,

As a Home State Health provider, we would like to invite you to join a webinar designed to share basic information regarding claim submission for the Show Me Healthy Kids program. This hour-long session is designed to assist in making your claims submission an efficient and seamless process for your business needs.

If you would like to participate, please register for one of the training sessions here: [Webinar Training](#) and select Show Me Healthy Kids Claims Basic Training Session with a date and time that is convenient for your schedule.

As always, Home State Health is excited to share new information and appreciates your dedication to providing quality healthcare to your patients, our members.

#### **HELPFUL LINKS:**

- Please consult the [Provider Manual](#) for additional billing information.
- Remittance Advice Questions: Contact Home State Health Provider Services or visit the secure Provider Portal at: <https://www.homestatehealth.com/login.html>

**Sincerely,**

**Home State Health**
