MANAGED BY HOME STATE HEALTH

Dear Valued Provider,

Home State Health continues our collaboration with the Association of Clinicians for the Underserved (ACU), in efforts to help support our valued providers. We are excited to share an opportunity to assist in managing your health and the health of your staff through a virtual webinar titled: ***Caring for the Healers Part III: Preventing Suicide in Healthcare Professionals & Staff and Navigating Postvention.*** This live webinar focuses on addressing suicide risk in providers and staff and at no cost to you.

Join our webinar to understand the dynamics of the crisis and learn concrete strategies to help support primary care providers and teams, address suicide risk and prevent deaths by suicide in staff and implement effective postvention strategies. This training will also provide tips from the Association of Clinicians for the Underserved on how organizations can self-assess their readiness to prevent and respond to provider suicide

**We are looking forward to seeing you soon. See below for registration links and times.**
