Important Notice regarding Turning Point Training for Cardiac Surgical Procedures

As previously announced, Home State Health has partnered with TurningPoint Healthcare to provide utilization management services for Cardiac procedures through their Cardiac Surgical Quality and Safety Management Program. The program is designed to work collaboratively with physicians to promote patient safety through the practice of high quality and cost-effective care for Home State Health, Ambetter from Home State Health, and Allwell from Home State Health members undergoing Cardiac Management Procedures.

TurningPoint is offering webinar training sessions to cover all program details and operational changes. Please register for one of these informational sessions by clicking the link below.

Register in advance for this meeting:

<https://zoom.us/meeting/register/tJMkf-6srzsqGdXcAk5fDCSCwgeif1rcnov>

After registering, you will receive a confirmation email containing information about joining the meeting.

We appreciate your support and look forward to your cooperation in assuring that Home State Health members receive high quality cost-effective care for cardiac procedures.
