

Please Join Us for the TurningPoint Healthcare Surgical Quality and Safety Management Program Overview

Date: 10/15/2019

Home State Health and TurningPoint Healthcare Solutions invite you to join us for a webinar discussing the launch of a new and innovative Surgical Quality and Safety Management Program, effective December 09, 2019. The program is designed to work collaboratively with physicians to promote patient safety through the practice of high quality and cost-effective care for Home State Health members undergoing Musculoskeletal Surgical Procedures. We are actively reaching out to providers to offer support and trainings on our program and useful provider resource materials.
