Get started with
the **Babylon app**

HSHP20208 – 03/25/20

Get Started with Babylon

1. Download the app

Search for **Babylon** in the App Store or on Google Play.

HOMESTATEHEALTH

2. Register yourself

When Babylon asks if you have a code, enter: **HOMESTATEHEALTH**

3. Add a child under 18

First, tap the **Me** tab and select **Family**.

Tap this button to begin.

Please Note: If you are a parent or guardian setting up an account for a child under 18, register first and add the child to your account. You do not have to be covered by Home State Health to register.
