Discrimination & Civil Rights

HHS provides federal financial assistance for many programs to enhance health and well-being, including TANF, Head Start, the Low Income Home Energy Assistance Program (LIHEAP), and others. If you believe that you have been discriminated against because of your race, color, national origin, disability, age, sex (including pregnancy, sexual orientation, and gender identity), or religion in programs or activities that HHS directly operates or to which HHS provides federal financial assistance, you may file a complaint with the Office for Civil Rights (OCR) for yourself or for someone else.

To file a complaint of discrimination for yourself or someone else regarding a program receiving federal financial assistance through HHS, complete the form on line through OCR's Complaint Portal at <https://ocrportal.hhs.gov/ocr/>. You may also contact OCR via mail at: Centralized Case Management Operations, U.S. Department of Health and Human Services, 200 Independence Avenue, S.W., Room 509F HHH Bldg., Washington, D.C. 20201; fax: (202) 619-3818; or email: OCRmail@hhs.gov. For faster processing, we encourage you to use the OCR online portal to file complaints rather than filing via mail. Persons who need assistance with filing a civil rights complaint can email OCR at OCRMail@hhs.gov or call OCR toll-free at **1-800-368-1019**, TDD 1-800-537-7697. For persons who are deaf, hard of hearing, or have speech difficulties, please dial 7-1-1 to access telecommunications relay services. We also provide alternative formats (such as Braille and large print), auxiliary aids and language assistance services free of charge for filing a complaint.
