- **Wednesday 1:30 pm – 4:30 pm & Friday 8:30 am – 12:30 pm (through October)**
  - South County only: 5252 S Lindbergh Blvd Saint Louis, MO 63126

According to the Centers for Disease Control, an annual seasonal flu vaccination is the best way to reduce the chances of being diagnosed with influenza or spreading it to others.

Anyone over the age of 2 must wear a mask to receive the flu vaccine. Those receiving the flu vaccine must not be COVID positive or have any symptoms of COVID.
